# JIMMY DEAN

First team manager Jimmy Dean writes his latest set of notes...

**Good evening, and welcome back to the Attis Arena for this afternoon's game against Tamworth.**

I extend my welcome to everyone associated with the Lambs. As I stated in my original set of notes, they've had a monumentally positive season so far, following their promotion to this division last season. They're on a tremendous run of form, and we will have to be at our very best to get anything this evening.

We had two weeks without a fixture, with this original game being postponed due to a frozen pitch before our away game at Darlington last Tuesday was called off 15 minutes before kick-off. Both were really frustrating. We were looking forward to a big home atmosphere 10 days ago with the game on a Saturday, and it would have been a good opportunity to try and reduce the gap. It poses the same opportunity this evening, and that's why we wanted to reschedule it in quickly.

On Saturday, it was really good to revisit my former club Peterborough Sports, ironically a year to the day that I agreed to become manager of Scunthorpe United. It was great to see so many old faces, as it's the first time I'd been back there since leaving. Ultimately, as I alluded to in my pre-match, the day was not about me, it was about Scunthorpe United, and about getting three points, and that's what we managed to do. It's those sort of wins, when you're not at your fluid best, but you ground out a result, that feel more rewarding and feel like a bigger win. After a couple of disappointing results prior to

that game, it was great to see the lads bounce back once more and get a positive result. It could be a vital one come the end of the season.

Finally we have Danny Whitehall back from suspension. It feels as though he's been out for so long, with the two postponed games effectively extending his three-match ban. It turns out the last postponement was perhaps a blessing, with his partner giving birth at the end of last week. We extend our congratulations on his new arrival, and are pleased to report that Harvie and his partner are healthy.

We also welcomed back Jacob Butterfield at the weekend following his absence due to the concussion protocol. The postponements did him a favour too, missing just one game, but we definitely did miss him at Brackley, and it serves as a big positive that we have him back.

I'm gutted for Callum Roberts - he has no luck at all. Having scored what proved to be the

winner, he pulled his hamstring and looks set for another stint on the sidelines. We were just starting to see what he is all about, so he will be sorely missed. We also have Jason Law out in that department, so suddenly become a touch light in that area, but have good options should we require them.

While it's not the big Saturday matchday we all anticipated, and many can no longer attend, it's still set to be a big atmosphere, and another game under the lights at home, where we've enjoyed some special memories so far this season. Tonight is time to hopefully create another!

Thank you as always for your support!

***United we Stand!***

Up the Iron!

*Jimmy*
