# JIMMY DEAN

First team manager Jimmy Dean writes his latest set of notes...

**Good afternoon, and welcome back to the Attis Arena for this afternoon's game against Rushall Olympic.**

Our trip to face the Pics right back at the start of the season was a really enjoyable and memorable one, as we came away with a 3-0 win, and it's something we will be looking to emulate again this afternoon on home soil.

It's important that we bounce back from the disappointment of the result in midweek. The lads have always bounced back from a defeat every single time this season, and we will be looking to do the same. There's no denying that Tuesday hurt us all. I was down on Wednesday morning, and I'm sure the players were as well, but there's no time to feel sorry for ourselves. The game hinged on some key decisions going against us, and ultimately we lost by the odd scrappy goal.

We cannot give up. That's just not going to happen. There's still loads for us to play for this season, and that's what we've got to do. Control the controllables, and worry about the things we can affect, starting with this game this afternoon.

Today is going to be a tough game, and it's one which emphasises we cannot feel sorry for ourselves. We have to be up for it and have to be ready. They beat Chester away, beat Spennymoor 4-3, and only lost to Tamworth twice by the odd goal, and were unlucky in both of those games. They're a live opponent, and they won't come here and sit back. We're going to have to work hard to get the three points, and we're ready to do that.

I want a reaction from the performance on Tuesday. It should have been better. We weren't aggressive or front-footed enough, and didn't affect the goal enough. I want a change in that for this game. We've got a good group of boys with good mentalities, and they're up for this.

Jason Law is seeing a specialist to get some more advice with his toe injury, while Callum Roberts is awaiting the results of his scan. We're looking at four-to-six weeks for him with his hamstring injury.

We did welcome Dion Sembie-Ferris back late on Tuesday night. It didn't clear until 6.20pm, so we couldn't throw him into start, but I still put him on the bench because I felt he could have a positive impact. He looked really sharp. He's been really unlucky with injuries here, and we took the decision to get some games into him at Sports, and I think he's lit up the league. There's been a real positive reaction to him coming back, which is what he needs.

The attendance on Tuesday night was incredible. To have over 5,000 home fans for a midweek game in January at this level is absolutely insane, and we thank you massively for coming out and getting behind us. We're so disappointed that we couldn't get a result that the backing deserved, but it has made us even hungrier to bounce back and put on a big performance this afternoon. We owe it to you all after Tuesday, and will keep fighting. We have to continue to focus on ourselves, and by taking care of our business, we can only wait and see what happens elsewhere.

Get behind us today, as you always do!

***United we Stand!***

Up the Iron!

## DEBUT RACE NIGHT A MASSIVE SUCCESS

**The Iron hosted a Race Night at the Attis Arena at the end of January, with a massive £4,770 raised from the event.**

Organised by United supporters, as a fundraising event for the football club, the evening proved to be a huge success, with around 200 attendees at the event.

A big thank you from everyone at the club goes to Ian Rusling, AKA Rusty, for his hard work to organise this event. It goes without saying, he did a phenomenal job, and even surprised himself with the figure raised. Hopefully more of these events will be organised in the future.

AN EVENING WITH...

# KEVIN KEEGAN

FRIDAY, MARCH 22ND - 7PM - GENERAL ADMISSION AND VIP MEET AND GREET

# FOCUS ON... ALFIE BEESTIN

We continue our interviews with the Iron squad this season by talking to midfielder Alfie Beestin as he looks for a run of games following injury...

Undoubtedly it's been a frustrating couple of years for midfielder Alfie Beestin. Now the Iron's longest serving professional player, he's been at the club through the lows the side have endured over the past few seasons, but he's also had to encounter his own drastic negatives in that time.

Plagued by injury over the last couple of years in particular, the 26-year-old would arguably be one of the standout players in the Vanarama National League North on his day, but the midfielder hasn't had too many opportunities to show that so far this season, with the hamstring injury suffered last season continuing to hamper him so far this.

The campaign didn't start like that for him though, with two goals early on - including what's been perceived as the team goal of the season so far -

with the midfielder still looking to rediscover his early form and confidence.

"It started off quite well, scoring two goals, but unfortunately in training it was one of those freak injuries. From then on, it's been tough. It's messed with my head to be honest. Originally it was four-to-six weeks, and then I came back, and it was another eight weeks. I had to get some treatment and some injections, but it's been really frustrating. The lads have been great with me. Since I've come back, I

know I've not been at my best, or how I was at the start of the season, so I'm just looking to get back to that.

"I did my right hamstring at the end of last season and then my left hamstring at the start of this season. This time it was the tendon so it's been a bit harder to recover from. It's been frustrating because, until the end of last season, I'd never really had an injury before. It's part of football."

Having never suffered a serious

**"...in training it was one of those freak injuries... It's been frustrating because, until the end of last season, I'd never really had an injury before. It's part of football...."**

**Alfie Beestin**

injury in his career, it could be forgiven of the midfielder not to really delve too deeply into the make-up of his body, or his recovery, but there's one benefit of his recent lay-offs, as he really focuses on how to look after himself.

"I know, looking back, I could have been a bit better with the way I looked after myself, but I've done that since the past couple of injuries. I'm in the gym a lot more than I used to be. I didn't used to be big on it, but since then I've realised. Recovering from a game is a lot tougher, so I do a lot of hamstring stuff in the gym in a morning. It feels alright at the moment, so touch wood it keeps that way.

"The physios have been great with me, and got me back on the grass quicker than I thought. I was a day away from going back into full training, and I went for a little sprint and felt it. The emotion I got from that was horrible. I felt like I didn't want to carry on with the season, and I thought it was over. I'm happy to be back now, and hopefully that will carry on now."

With Beestin now back in-and-around the team, his aim is to rediscover that early campaign form which brought him and the team success.

"Confidence is massive in football and at the start of the season, I had a lot running through me. That goal at the start of the season was a very good team goal. As a team, we're all confident, so I think we've just got to find that again.

"Fitness-wise, I'm getting there. I've just got to believe in myself and put it onto the pitch as well. Mainly, I've got to have faith in myself and trust myself. I should be scoring goals in this league."

And while it's all about regaining confidence, having not experience the injury situation before, a certain extent of his recovery has been to learn to trust his body once more, having been let down on his first return.

"There's times where you can think about it twice when sprinting or chasing a ball down, or stretching, and that's something I have to gain confidence with again with my body. I'm doing the extra to ensure my hamstring is at full strength, but we're definitely getting towards that point again."

One thing that Alfie has had to contend with and endure, is the same as all Iron fans - the demise of the club over the last four years. Being at this level is not

***"I was part of the team that dragged us down here, so I feel like I've got to be part of the team that gets us back up as well."***

**Alfie Beestin**

something he, or the club, wanted but he's determined to be a factor in putting it right.

"When I was younger, I was playing in League One. I came here and we we're in League Two and now it's National North. I've been here four years, and it's not been the best time having been relegated twice. I know what

this club is about, and where it belongs, so it's frustrating to see it down here. I believe in myself and my ability that I can play higher, and enough in this team to get out of this league. There hasn't been too many positives, but the fans have stuck with us throughout the whole time. I've said a few times that I feel like it's the best team I've been involved in throughout my whole time at Scunthorpe. We know we're good enough, we've just got to show it on the pitch. I was part of the team that dragged us down here, so I feel like I've got to be part of the team that gets us back up as well. That's why I want to be scoring more goals, assisting, and helping to get the team back where it belongs."

While wanting to be part of the renaissance of the team, the 26-year-old also has to battle with himself, as his own critic.

"I always expect the best from me. My aim is always to be the best player on the pitch and in training. If I'm not doing that, I'm hard on myself, maybe too much. I think you've got to do that

sometimes though. I always want to try and improve."

Despite the disappointing result in midweek, Beestin was full of positivity for the team, and following the support.

"Decisions went against us, but we know we weren't at our best. We've got to put it behind us. We have to forget about that and focus on each game as it comes. There's a lot more pressure on them now to keep winning. We have to win, and hope they slip up.

"It's been our aim to finish top since the start of the season, and that's not going to change. We know we've got a good enough squad to win every game. We're always going to believe we're good enough to win the league. We go into each game believing we can win, and that's got to be the mindset.

"It shows what the club is all about. We have amazing support for this level. To have over 5,000 fans on a Tuesday is unbelievable. We need their support more than ever now, so if they can keep coming out and supporting us, that will give us more belief that we can win this league."

# CLUB NEWS

Continued from page four, a look at more club news since the last time we were here at the Attis Arena...

## TOM PUGH RECALLED FROM HEREFORD LOAN SPELL

Iron midfielder Tom Pugh has been recalled from his loan to fellow Vanarama National League North side Hereford.

In his first month out on loan at Edgar Street, Tom made seven appearances (five starts, two from the bench), scoring one goal and adding one assist, along with man of the match accolades.

That loan spell was extended for a further month in December, the midfielder has made a further six appearances for the Bulls, fast becoming a fans' favourite.

On January 10th, it was announced that his loan spell would be extended until the end of the season, with the Iron activating the 24 hour recall on Monday morning.

Pugh had scored in consecutive games for Hereford in the last week, first converting a free-kick against Torquay United in the Isuzu FA Trophy before an impressive long range strike against King's Lynn Town.

## DARLINGTON AWAY CLASH POSTPONED DUE TO WATERLOGGED PITCH

The Iron's away league clash against Darlington was postponed due to a waterlogged pitch.

The encounter was called off by match referee Melissa Burgin 15 minutes prior to kick-off with both teams on the pitch warming up ahead of the encounter.

As soon as we have a new date for the fixture, we will announce, with a date not yet set by the two clubs and the National League.

## DION SEMBIE-FERRIS RECALLED FROM PETERBOROUGH SPORTS LOAN SPELL

Technically gifted Iron winger Dion Sembie-Ferris has been recalled from his loan spell at fellow Vanarama National League North Peterborough Sports.

Since his arrival at United in the January of 2023 Sembie-Ferris has made a total of 15 appearances in North Lincolnshire, which includes six starts and a singular goal, which came against Darlington. His latest appearance in claret and blue came in midweek on his return.

After returning to the club where he first played under Jimmy Dean, Sembie-Ferris had been integral in the Turbines recent surge up the league standings and during his time with sports made 13 spirited appearances scoring four goals and thoroughly enjoying his football.

Due to his excellent form under the management of Michael Gash and Luke Steele, Sembie-Ferris loan agreement saw its 24 hour recall activated on Monday evening hence making him eligible for Tamworth on Tuesday.

## SOLD OUT SCARBOROUGH ATHLETIC AWAY ALLOCATION SELLS IN JUST OVER AN HOUR

The 600 tickets allocated to the Iron for our away trip to face Scarborough Athletic on Saturday, February 17th (1pm kick-off) sold out in a little over an hour.

Tickets went on sale via Scarborough at 5pm last Sunday evening, with all tickets snapped up a little over an hour later.

A large group of Scunthorpe fans have bought tickets in the home end. These supporters have been emailed to let them know their tickets will be void and will not scan on entry.

Scarborough has asked us to reinforce that refunds to supporters who make any purchases in the home end will not be refunded. Any Scunthorpe fans found in the home end at the match, will be ejected with no refund given.

Our hosts expect the game to sell-out and no further tickets will be issued at this time.

# COMMERCIAL NEWS

A commercial update ahead of today's game...

**Good afternoon and welcome back to the Attis Arena for the second of three home games in quick succession.**

While the result on the pitch on Tuesday night was disappointing, it was another good evening commercially for us, with a full host of sponsors for the game, who all enjoyed their experience with us.

Keystone Architecture were our main match sponsors, and selected Ross Fitzsimons as their man of the match following his display in the game. We were grateful for their support and hope they enjoyed the night.

Right Action were matchball sponsors for the second time in succession, while William F Moore Warplands Limited were captain sponsors and Marjara Care Group were our digital programme sponsors. Each bit of support we receive is greatly appreciated, and we look forward to welcoming all back in the future.

We have another full compliment this afternoon too. G&M Consulting Limited are our match and digital programme sponsors this afternoon.

G&M Consulting have been involved in the geotechnical sector since 2003 and during this time have provided a varied range of services within the UK to the geotechnical industry. Since it's inception, the company has grown in both size, and services offered.

Based in Doncaster, the company's continuing growth is enhanced by it's client-focused reputation.

Meanwhile, we welcome the Hop Inn, Brigg as captain sponsors, and Surv Dosanj - Just Mortgages as our matchball

# ONLINE SHOP

An update from the retail section of our club, as we look back at a busy festive period, and look ahead to 2024 as the shop goes from strength-to-strength...

The shop, both in-store and online continues to thrive, with thanks to the Merch Labs and Debug Labs, who offer a prominent and effective service.

A number of our products were snapped up in-store over Christmas, but we do have a range available as part of our January sales, with offers exclusively to shopping online only. You can make a saving on mugs, runners, prints and more by visiting our website.

The Merch Labs have also moved in to the Attis Arena, with a member of staff on hand to answer your enquiries if needed. If we don't have your size in something, please ask, as invariably, a brand new t-shirt or hoodie can be produced for you and available to collect in the days that follow.

We have a number of new lines arriving in-store, with a whole range of hats currently available in a range of different colours and designs. Our claret fleeces, also available in navy, have proved to be a popular purchase, as has our baby range including "I dribble for the Iron" merchandise available in a bib and babygrow.

# [MERCH] LABS

Hitting the shelves soon are our baby on board signs, while we also have a restock of hoodies arriving imminently too.

We have new range of pop sockets, as well as a new range of Kelme stock now in the building from gilets to footballs, backpacks to full zip jackets.

As we enter 2024, we continue to

work with partners to bring more and more stock into the shop. We will be looking at our summer range too, which includes bucket hats, towels and more.

As always, you can contact us by emailing [hello@sufcshop.com](mailto:hello@sufcshop.com) for enquiries, order queries, or to generally get in touch.

Good luck to the Iron as they look for three points!

Merch Labs is currently raffling off a one of a kind Unity hoody signed by the entire squad.

# MIDLAND LEAGUE DUTIES THREE ON THE BOUNCE

## TIME TO ASPIRE, AND THE LINGS CUP

Historian John Staff continues his 100-year rewind, looking back at 1923-24

North Lincolnshire was approaching mid-winter one hundred years ago, and mothers in the town were hard at work, stoking the fires to keep the family warm.

Evidence of this was seen in the belching smoke emitted by fires from each and every orange chimney pot. This was supplemented by more smoke, every time a steam locomotive sauntered along the LNER railway, heading towards Cleethorpes or Doncaster. In the early part of the last century, fog during the winter months was not uncommon, and the white ghostly blankets were referred to as pea souper fogs. They could have damaging effects on the football matches at the Old Show Ground, as players peered desperately in the hope of seeing a colleague with the mud encrusted ball. Despite this handicap, referee rarely postponed a fixture.

A century ago January was ebbing away, and the Nuts had found some encouraging form, although in one case their joy was at the expense of the Atlas of the Midland League, Rotherham Town, who were holding up the entire table from the bottom position. At Clifton Lane, the Nuts had gathered two precious points from a hat-trick from Raby, who was hitting a purple patch in scoring goals. A week later, at the Old Show Ground, Rotherham Town put up a far better performance, but could not match the agility of the entire Scunthorpe team. Once again it was Raby who was the architect of their downfall, and a 2-0 celebration was enjoyed by the supporters with claret and blue favours.

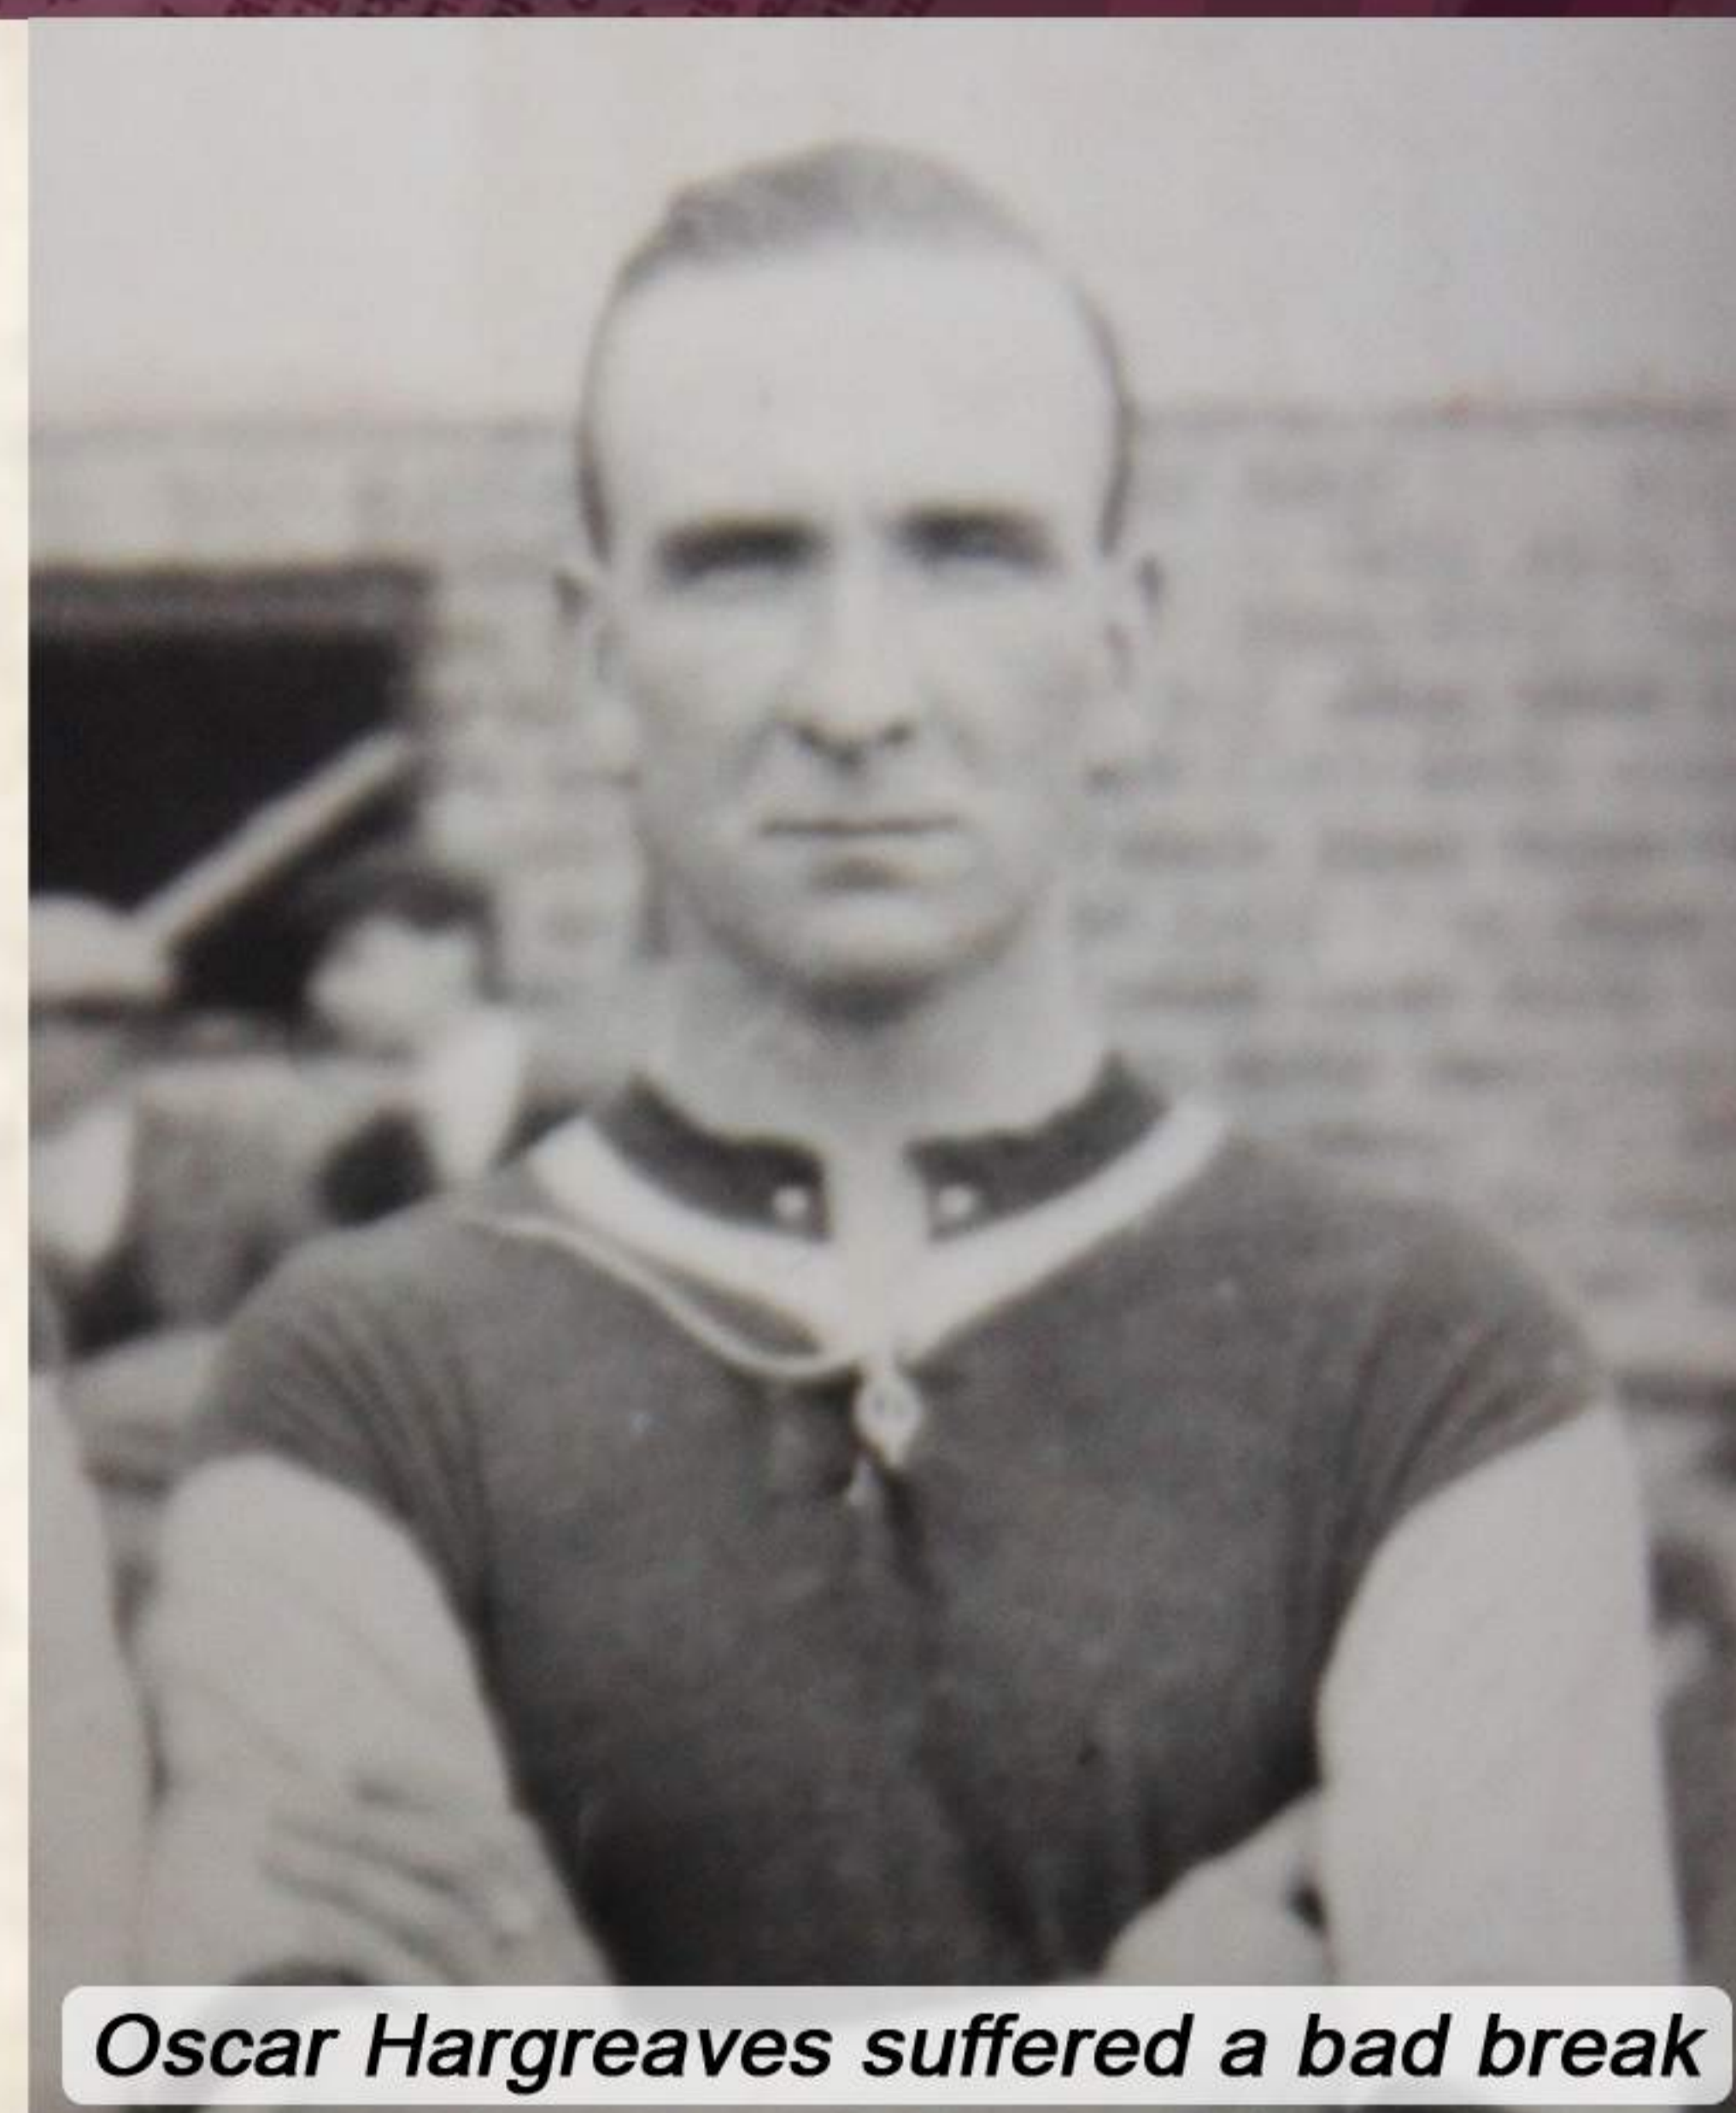

On the last Saturday in January, a good following of Scunthonians was present at the Anlaby Road

ground in Hull, when the Natty Nuts took on the Tiger Cubs of Hull City Reserves. This proved to be a far sterner test for the Scunthorpe visitors. However, a determined defence kept the Tigers' claws away from the Nuts goal, and Raby scored two individual goals, both from breakaways. Another 2-0 advance, and although Raby was hitting the headlines, it was Reynolds, the Scunthorpe custodian, who had three clean sheets to his name in the great assist in the glory.

Thus the Nuts were back at home on February 2nd, 1924, and the question was, could they aspire to beat the Spirites of Chesterfield, a difficult opponent, who would expect to entertain Scunthorpe United, at Saltergate, a week hence? The Directors making team selections had the happier task of a choice of all squad members, as suspensions, cold and injuries had all come to a positive conclusion. They decided to select the strongest options,

Richard Ashmore netted the solo goal

Oscar Hargreaves suffered a bad break

despite some fine performances from promoted reserve players. Thus United emerged from the dressing rooms with the following representation: Reynolds, goal keeper; Bradbury and Hargreaves, fullbacks; Skull, Ashmore and Millson, halfbacks; Clark, Kitchen, Raby, Green and Foster, forwards.

This match was to prove to be one that Scunthorpe United supporters would talk about for many years to come. The man who worked hard to give the Nuts the advantage was Joe Kitchen, who put in a double shift to ensure his team won the points. It was he who made the first goal, his terrific shot rebounding back to him off the mid-point of the upright, from which he regained control of the ball, and laid off a perfect pass for Green to dash onto for a simple tap in past the marooned visiting keeper. On twelve minutes, the lead was increased. This time the ball came in from the left, from Foster, and Kitchen sent a bullet header into the flying net.

At 2-0 United were cruising, but then can the sickening incident

**UNLUCKY HARGREAVES.**

LEG FRACTURED ON FIRST  
REAPPEARANCE WITH NUTS.

EARLY GOALS GIVE UNITED VICTORY.

Scunthorpe United had a good opportunity of rising higher in the League when they met Chesterfield Reserves at home to-day. Seeing that Grimsby Town Reserves had taken four points out of Chesterfield upon successive Saturdays, the United's prospects of success appeared

the wind, the United continued to have the better of the game, and another corner on the right was well cleared.

**HARGREAVES HURT.**

Just after this there was an unfortunate occurrence, inasmuch as the United

side man caught him, and, as the

The sad headline following the leg break

which is an unfortunate part of the physical game of football. Oscar Hargreaves was back in the side after a questionable suspension, and on thirty minutes he went for a ball with McIntyre, the Spirits' right winger. At the moment of impact, Hargreaves leg was broken in three places between ankle and knee. The man was in abject pain, and ambulance men took quite some time before he could be removed to the comfort of hospital. This incident put a curtain on the interest of both sides in the game, and the 2-0 score remained until it was the result. Sad to relate, this was a career ending incident to a brave Scunthorpe United

Midland League warrior.

On the following Thursday, the Scunthorpe team had a date at Blundell Park, in the Lincolnshire Cup, but the full Mariners first team assembled against them. It was difficult enough extracting Midland League points from the Junior Mariners, and so this task was a bridge too far. A gallant effort was not enough to stop Carmichael, the Grimsby goal scoring ace, from giving his side a 2-0 passage into the next round of this competition, but the Lincoln City captain would lift the trophy later that year.

The devastating incident to Hargreaves gave Franklin the opportunity to step back into the limelight, where he had capably stood in, before. However, the eleven men that appeared at Grimsby, which included Franklin, showed one change on the right wing, for the visit to Chesterfield. The trial was given to a player named Mathews, who hailed from the Rotherham district, but he was not to be selected for duty after the one game.

Chesterfield was a difficult place to gather any points from, and they were no strangers to being Midland League Champions. On this occasion, Chesterfield made a number of changes to the team that Scunthorpe had subdued. They were always in the ascendancy during the 90 minutes, and the Nuts needed a strong set of defenders to repel the Saltergate attack.

The game was surprisingly won by the visiting Scunthorpe lads, who needed a defender to crash the ball home. Not only did the Nuts beefy centre half Richard Ashmore take the defensive honours, but in one of his advances up the field, he was able to squeeze out a Chesterfield fullback, and crack the ball into the net with the meat of his boot. The goal came just before the interval, but it still meant some dogged defending by the visitors, before the rewarding 1-0 result went onto the record book.

*We take a look at this afternoon's opponents, first starting with their brief history of how they got to where they are today...*

## A BRIEF HISTORY

**Research has discovered that the original Rushall Olympic Football Club was founded at least three years earlier than had previously been thought - with editions of local newspapers found to contain match reports about the Olympic dating back to the 1893-94 season.**

However, even earlier records have indicated that football in the village of Rushall was already being played on a regular basis at least 20 years prior to that time and in fact the opening game for the newly formed Walsall Town team was against a Rushall side at the Chuckery Ground, Walsall on the 3rd October 1874. Indeed, so many players turned up that it was decided to field a 15-a-side format, with the surplus Walsall men being "loaned" out to make up the Rushall team.

As research continues, the early years of Rushall Olympic will slowly be uncovered, but it is known that a thriving club certainly existed just after the First World War, up until the mid-1930's. During this period the team (many of whom worked at the local

Aldridge pit) played on the field behind the Miners Arms Public House in Rushall - changing in the pub and enjoying a pint after the game. The team, then playing in old gold and black stripes, was a "good 'un", and won various honours along the way.

After winning the Walsall & District Amateur League Second Division Championship in 1952-53, and later the First Division Championship in 1955-56, the club eventually gained promotion into the strong Staffordshire County League (South) for the start of the 1956-57 season - and made an immediate impact by winning the Second Division title at the first attempt. Following promotion into the First Division, the club later won three back to back Championships between 1960 and 1963 - but Rushall Olympic's real glory season came in 1964-65 when the club clinched the Staffordshire County League (South) First Division Championship for the fourth time in five years and also won the Lichfield Charity Cup, the Sporting Star Cup and the Walsall Senior Cup.

During the 1980's and 90's the club enjoyed fourteen seasons of

moderate success in the West Midlands (Regional) League Premier Division, with a highest finish of fifth place achieved in season 1988-89 and a League Cup Final appearance in 1982. However, time moved on, and for the start of the 1994-95 season the club began a new era when it was named as one of the twenty founder members of the Midland Football Alliance.

More recent, last season proved to be a defining moment. After securing a second consecutive play-off spot in the Southern League Premier Division Central, the Pics overcame runners-up Coalville Town with a dramatic 4-3 penalty shoot-out victory, before travelling to tackle Nuneaton in the final where a crowd of over 3,500 gathered to see another intense affair that saw Olympic again triumph 4-3 in a penalty shoot out following a goalless draw, seeing the side promoted to Step 2.

*Age: 25*

*Nationality: English*

*Position: Midfielder*

He had previously enjoyed a highly successful loan spell at Dales Lane from the middle of December 2023. However, he has never signed a contract before and Andy Peaks could not have been more pleased as Dan put pen to paper after today's game against West Bromwich Albion.

He went to Campbellsville University in Kentucky to study for a sports management qualification and played four successful seasons with their football team. He shone in the States' university set-up, where the scholar became a key figure for Campbellsville Tigers and finished his playing time in America having landed a number of individual awards. He was their most capped player, with 100 appearances.

A graduate of Birmingham City's Academy, having completed a scholarship between 2020 and 2022, he arrived at Dales Lane during January 2024 on a youth loan and made an almost immediate impact by scoring the winner at Chester in only his second game for the Pics

### Jaden Charles

Hard-working, attack-minded and talented performer who arrived at Dales Lane during January 2024 following the resignation of Nuneaton Borough from the Southern League Premier Division Central due to off the field problems.

### Mitchell Clarke

Versatile and highly regarded player who returned to Dales Lane to begin a second spell with the Pics during summer 2023 after spending a season with Step 4 neighbours Chasetown. ### Kristian Green

## MIDFIELDERS

### Callum Coyle

Skillful and energetic midfielder with an eye for a goal, he arrived at Dales Lane during summer 2021,

having been with Northern Premier League Premier Division outfit Stafford Rangers for the Covid-19 curtailed 2020-21 campaign. As a youngster he was part of the Walsall Academy system and upon being released as a 16-year-old he linked up with Solihull Moors, where he soon progressed through the ranks.

A real technician and an outstanding talent on the ball, he began his career by coming through the ranks with Shrewsbury Town, making over 60 appearances for their youth team

### Jourdain Masidi

An energetic footballer who is tidy on the ball, covers every blade of grass and who likes to get forward, he transferred to Dales Lane during November 2021 from Southern League Premier Division Central rivals Bromsgrove Sporting.

### Sam McClintock

Gifted attack-minded midfielder who

transferred to Dales Lane from Vanarama National League North rivals Boston United in November 2023.

Summer 2017 saw him return to Dales Lane to begin a second spell with the Pics.

## RUSHALL'S LAST 10 GAMES...

MD21 - Rushall Olympic 1-1 Chester  
 MD22 - Rushall Olympic 1-3 Blyth Spartans  
 MD23 - Scarborough Athletic 3-1 Rushall Olympic  
 MD24 - Rushall Olympic 2-0 South Shields  
 MD25 - Tamworth 2-1 Rushall Olympic  
 MD26 - Rushall Olympic 1-2 Tamworth  
 MD27 - Chester 0-1 Rushall Olympic  
 MD28 - Rushall Olympic 4-3 Spennymoor Town  
 MD29 - Rushall Olympic 0-1 Hereford  
 MD30 - Rushall Olympic 2-2 Curzon Ashton

As their 18th position suggests, Rushall Olympic have had some positive successes this season, ultimately followed also by some disappointing results.

While a draw against Chester on paper is a good result, wins over South Shields, Chester in the reverse fixture and Spennymoor Town are exceptional results. Defeats over Christmas against Tamworth - albeit slenderly on both occasions - and losses to Blyth Spartans and Scarborough Athletic, unudoubtedly show their inconsistencies across the campaign.

Their latest game was also a positive result, taking a point from play-off chasing Curzon Ashton, with the side our next opposition here at the Attis Arena next weekend.

# SUPPORTERS' GROUPS

*We get the latest from the Iron Trust...*

**Welcome to the Attis Arena courtesy of new sponsorship from Attis a local Insurance firm owned by Iron fan Joe Henderson.**

As our membership keeps growing at a phenomenal rate over 900 we at the Iron Trust have been overwhelmed for the support shown by fellow Iron fans and we would like to thank each and every one of you for your continued support.

We hope to see a good many of you at the Berkeley Hotel this Wednesday evening for the AGM which starts at 7pm. Michelle Harness has agreed to come along and speak to Trust members about the club takeover and the challenges our club faces in the imminent future.

The ballot for Trust board places finished yesterday at 5pm, allowing us a few days to collate the results and reveal the successful candidates who will all be informed individually if they have been elected or not prior to being announced at the AGM.

Our little display at Trust corner has been given a makeover too as we seek to improve our image and aid transporting the range of goodies we have on offer this we have invested in a mobile cantilever toolbox.

Attendances at matches are holding up well as the new board strive to stabilise the club on and off the field. The National League North record attendance this season came in midweek at 5,277. The biggest ever attendance in this league 7,488 was set in May 2022 in the play-offs, although in a regular season it is 6,311.

The postponement of the original Tamworth game due to a frozen pitch gave catering impresario Danny Stamp aka the 'Goat' the idea of selling tickets to view the frozen pitch whilst throwing in a free carvery at £12 for an adult. The cheeky approach attracted a good crowd including many regular Iron fans who all enjoyed a first-class meal.

The Player of the month for December was Ross Fitzsimons: a big well done to Ross, and apologies for the delay in letting you all know! Soon Needers will be sending out the votes for the January vote.

Finally a warm welcome to Rushall Olympic and any travelling Pics fans. Many of us were at Dales Lane way back in August for the first fixture which saw former Iron player Sam Mantom start against the Iron.

**The Irish Iron supporter's club has a number of items available for sale with clearance prices, now available in our club shop.**

The memorabilia is from memberships of seasons gone by, with shot glasses, scarves, badges, magnets and more available to acquire at discounted prices.

As always, every penny raised by Irish Iron as proceeds is returned to the football club as sponsorship, including player kit sponsorship, with the kit then raffled off to one of the members in the given season.

Head to the Iron's club shop to see the full range, with clothing available, along with limited edition items of which there are only a handful of quantities left. A number have the unity crest badge, which is desirable among a number of supporters.

**Membership for the 2023-24 season is also available at £10 per person, plus postage and packing, if required. Members will receive an enamel badge, phone popper, membership card, plus entry into the raffles.**

## IT'S AN IRON STAT!

The Iron's win at Peterborough Sports last weekend was their sixth of the season from 15 games, the same amount won in the 67 previous on the road.

Jackson Stapleton Accountants was founded in 2017 with the aim of providing the highest level of service which is fit for purpose in the modern age. In November 2021, the practice expanded by acquiring an existing firm in Lincoln called Fawcett & Co. The aim is to continue to build on the success achieved so far in both offices.

## Referrals

As part of our sponsorship with Scunthorpe United FC, we will be offering a referral for new clients that quote "SUFC10" when joining us.

This means that 10% of all first year fees will go towards helping disadvantaged young irons play and watch the sport they love.

## ON THE ROAD BLYTH SPARTANS

**TUESDAY, FEBRUARY 6TH - 3PM**

Having been postponed on two previous occasions, the Iron are looking to make it third time lucky when facing Blyth Spartans on Tuesday, February 6th.

The fixture against the Spartans will be United's first away game in the month of February and will also be the first time that the two sides have met since both the green army's and Scunthorpe's formation in 1899. The reverse fixture at the Attis Arena is the Iron's final home game of the campaign.

### THE STADIUM

The tie against the Spartans will take place at the Croft Park stadium as Spartans look to return to winning ways following their recent loss to table toppers Tamworth and a draw on Tuesday night to bottom of the table Darlington. Blyth's home form has been so far instrumental to their impressive start to the term, which sees the green army sat 9th in the league standings having amassed 20 points from their opening 14 fixtures.

Last season Blyth started

equally well but a flurry of poor results from January onwards saw that they finished 19th, only managing to ensure survival on the final day with a dominant display over Hereford where they won 5-0 with goals coming from five different respective scorers.

The green army have played at Croft Park since 1909 with the stadium playing host to numerous large encounters of the years, such as an FA cup 5th round replay against Wrexham during the 1977-78 season which is just one of Blyth's many notable endeavours in the FA Cup.

The stadium itself has a capacity of 4,130 of which 530 are seated. The Iron have been allocated 900 tickets for the fixture and the supporters will be housed in the Plessey Road covered terrace.

### BY CAR

147 miles from Glanford Park, it will take approximately two hours and 34 minutes to journey from the Iron's stadium.

> Take M180, M62, A1(M), A168 and the A19 to A1061 in Cramlington.

> Take the exit towards Seaton/A192/Delaval/Cramlington from A189.

> Follow A1061 and B1523 to the destination and when at the final roundabout, continue straight onto Plessey Rd and make a left turn.

### CAR PARKING

Parking for the fixture is freely available on the surrounding streets, but we ask supporters to please park sensibly and respect the local residents.

### ALTERNATIVE TRAVEL

The nearest railway station to Croft Park is Cramlington, which is served by trains from Newcastle Central and Morpeth. Cramlington railway station is located five miles away from the stadium.

### FACILITIES

The Social Club at the ground itself welcomes away fans and is a great place to drink. It serves the usual range of beers and has some bottled real ales. As well as beers the social clubs sell a range of food.

# COMING SOON

A look at the Iron's next home game...

## CURZON ASHTON

**SATURDAY, FEBRUARY 10TH, 2024 - 3PM KICK-OFF**

**The Iron quickly return back to the Attis Arena next weekend, hosting Curzon Ashton for their latest encounter in the Vanarama National League North.**

The side have enjoyed a strong first half of the season and sit in seventh position in the league table, having attained 47 points from their 29 games so far. They head into their game this afternoon six unbeaten, with three wins and three draws to their name.

Coincidentally, their last encounter was against the Iron's opposition today, with a 2-2 draw being played out at Rushall Olympic last weekend. Prior to that they emphatically beat King's Lynn Town 4-0 away from home before enduring two draws against Boston United and Farsley Celtic.

Last month, they did ensure heavy Christmas defeats against Gloucester City (3-0) and Chorley (4-0), and had enjoyed up and down spells throughout the season. Indeed, they went on a four-game winning streak, including three home wins in a row in league and cup, but preceding that they lost four in a row, including three in a row at home.

It was early on in the season when the two sides met in Curzon, with the hosts edging the encounter by the odd goal in what was Scunthorpe's first defeat of the season. It continued the hosts' unbeaten start, and they would continue that for a further game before being edged out by Tamworth and then Chorley.
