

CONSULTATION EVENT

PROPOSED REDEVELOPMENT OF GLANFORD PARK STADIUM FOR SCUNTHORPE UNITED FOOTBALL CLUB

Monday 4th June @ Glanford Park, 4pm - 8pm

Scunthorpe United Football Club are holding a public consultation event at Glanford Park concerning proposals to redevelop the existing stadium.

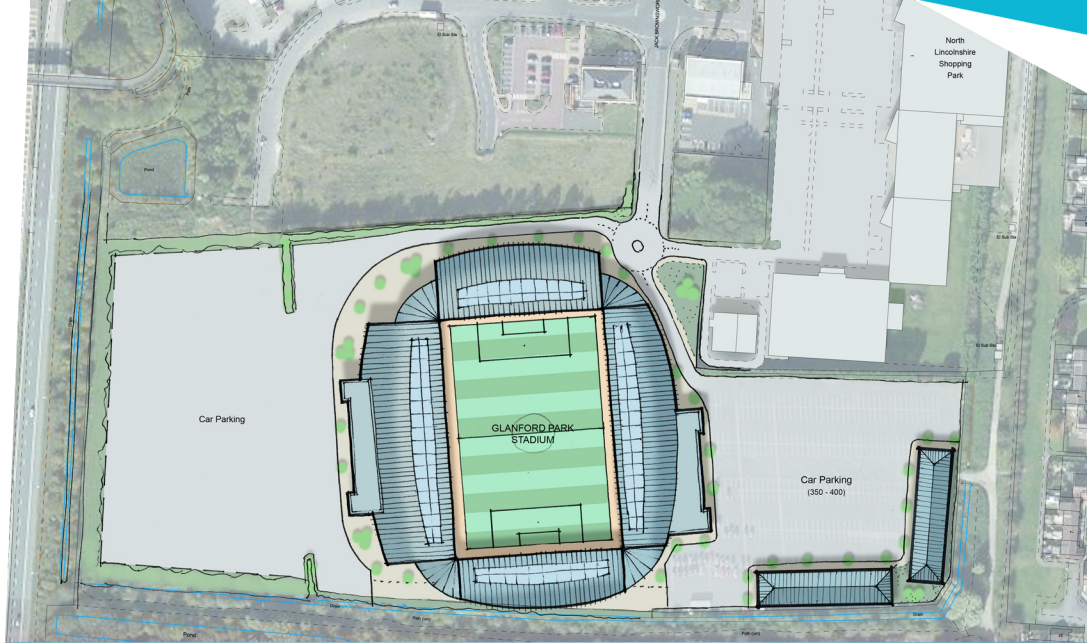

At present the proposals constitute a reconfiguration of the football stadium resulting in a capacity of 11,000 and additional space across all four stands.

Car parking will continue to the west of the stadium, though additional parking will be provided to the east of the site, estimated at approximately 350-400 car parking spaces.

Further to the above 160 new residential apartments are proposed to the south east corner of the new car park.

The consultation event will run between the hours of 4pm-8pm on 4th of June and you are invited to come along and see the proposals.

We would welcome your comments with regards to the proposed development. You can also send your comments to us by the following means:
