# JIMMY DEAN

First team manager Jimmy Dean writes his latest set of notes...

**Welcome back to Glanford Park as look ahead to our second league game of the season under the lights, welcoming South Shields.**

We enjoyed another special afternoon here just over a week ago, as we beat Scarborough Athletic on Bank Holiday Monday. It was a great win and a great day. It was only a Bank Holiday Monday football match but it felt like a fantastic occasion. You came out in force and it was an amazing atmosphere. I thought the performance matched it.

Prior to that, we suffered our first defeat of the season. We're going to have games like that. We're going to lose games. In the main, every successful side, barring that Arsenal side of 2003-04 are going to lose games, but it's how we react to it, and move on.

We work on the mental side of the game with the players, and they have a strong resilience that they've shown in games this season. The way we bounced back from Curzon here with 30 hours less recovery time from normal was superb, and it shows what a group we have here.

On Saturday, at Alfreton, we battled for almost the whole game with 10 men. We acknowledged what the players have put on the line on the day, and with a little more consistency in terms of decisions on the day, we could have come away with all three points. Of course, there were things we could have done better on the day, and we've looked at those.

Despite Kian's red card, he is

available for this evening's game, as bans at this level do not kick in for seven days. It's a positive for us, as we need Kian for a battle like this evening.

We also welcomed Connor Smith from Hearts, and on his debut off the bench on Saturday, we saw what he will bring to the squad. He made a positive impact. He's got a lot of guile, he's clever and he works hard. He's good with the ball in tight areas and I think he will suit playing here really well and I'm sure you will love him.

Richie Bennett also signed for the club again yesterday. He's been with us training for a couple of weeks now and he comes in with a point to prove. He also provides a different option to the squad for us.

We can't help but think teams are going to put 10 men behind the ball, and we need that bit of extra quality to break teams down. We feel that bringing in Connor will assist with that, while Richie's addition will give us another sort of option.

Your support continues to be

nothing short of incredible. Last time we were here, there were over 4,000 home fans and the overall attendance was in touching distance of the 5,000 mark. I believe it was the eighth highest attendance at this level. Wow.

We know how privileged we are to have you behind us, and we're going to keep fighting and keep pushing to make you proud this season.

Another 855 were at Alfreton on Saturday, outnumbering the home crowd again. Your support levels are greater than a number of EFL clubs, and you help us over the line.

We're hoping for more of the same here at Glanford Park tonight. Hopefully it can be another special night to remember under the lights.

Enjoy the game.

Up the Iron!

*Jimmy*

# CLUB NEWS

A look at the news since the last time we met...

## CLUB STATEMENT - AN UPDATE FROM OWNER DAVID HILTON

As many of you were aware, Scunthorpe United was in court on Tuesday, August 30th facing the very real prospect of being evicted from Glanford Park.

We achieved a positive outcome on the day. While the immediate prospect of eviction has been halted, there were no winners or losers.

The club remains in the ground until next year when a three-day hearing will be listed. We will use the time to continue negotiations and hopefully achieve a settlement that works for all parties.

Legal action has never been our preferred option and we hope this can be resolved without further hearings.

The club would like to thank Tahina Akther of Wildcat Law and Richard Chapman KC for their hard work and for representing the club at the hearing.

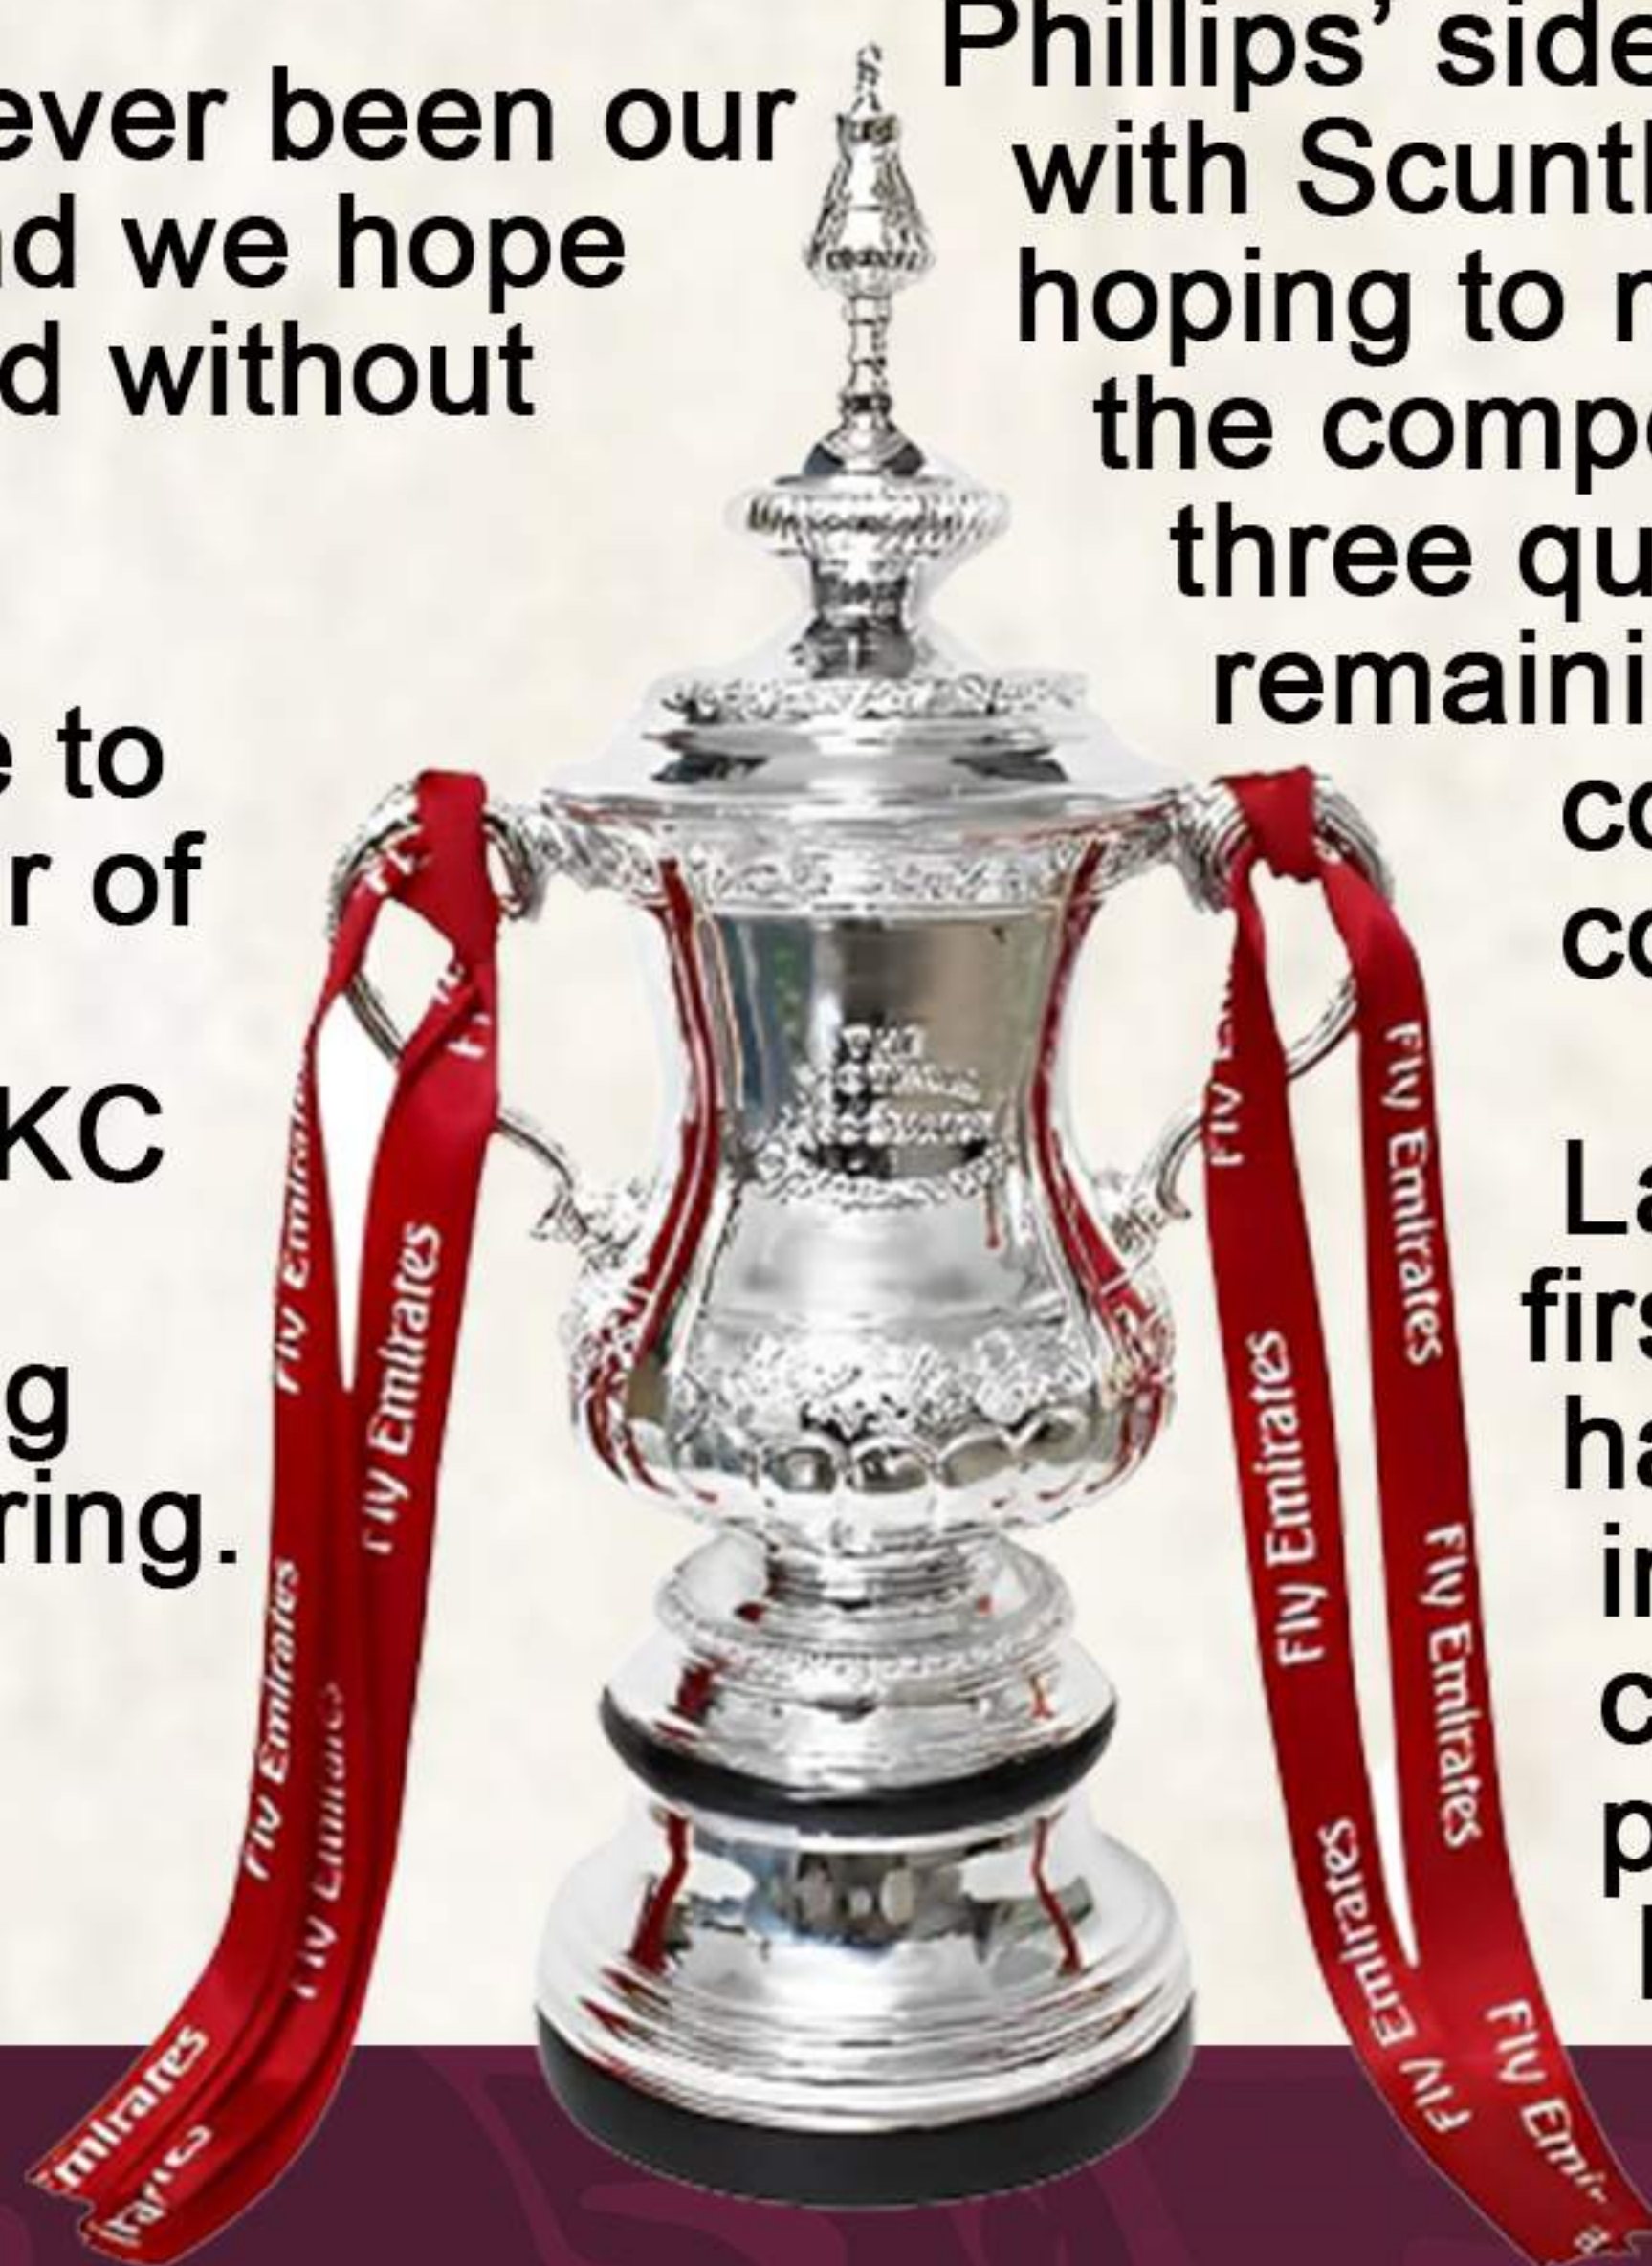

## IRON LEARN FA CUP OPPONENTS AHEAD OF THIS CLASH

Too late to become part of this digital programme due to exporting deadlines, but the Iron were set to learn their FA Cup Second Qualifying Round opponents on Monday.

Ironically, it is this evening's visitors to Glanford Park who the Iron faced in last season's competition, with South Shields running out as giant killers following their 1-0 home win. The side were on their way to winning the Northern Premier League at the time, while United were struggling at the bottom of the National League.

A full-time outfit, it was Kevin Phillips' side who edged the tie, with Scunthorpe this season hoping to make real progress in the competition, entering with three qualifying stages remaining prior to the actual competition commencing.

Last season was the first time the Iron haven't been included in the proper competition since prior to entering the league.

# FOCUS ON... DANNY ELLIOTT

We continued our interviews with the Iron squad this season by talking to forward Danny Elliott after netting his first goal of the season last Monday...

Having began the season as the starting striker, with Danny Whitehall on the bench, roles were quickly reversed in the following game, with Danny Elliott settling for a place on the bench.

With Whitehall then netting the winner in the opening game as his replacement at Tamworth, he would be given the nod going forward, taking his tally to four goals in the opening four games. Elliott was reduced to just substitute appearances at that point, and the question was whether it would be Danny or Danny throughout the season... until last week.

On Bank Holiday Monday, both started and the move from Jimmy Dean came to fruition with victory over Scarborough. Having been awarded a penalty to take the scoreline to 3-0, there was only to be one taker.

While it looked for a split second as though Fin Shrimpton fancied himself, it was the Iron midfielder who grasped hold of the ball, placed the ball on the spot and then stepped away for Elliott to role home his first of the campaign.

Relief, or a weight off his shoulders, confidence ran through his veins quickly, resulting in an Iron fourth, which is sure to be stripped away from the former Boreham Wood frontman, as it goes down as an own goal. First asked about that second strike, he said: "I've

watched it from the side angle in slow motion, and I think it was spinning in. Technically, if it's going in, it's my goal. I'm going to claim it on my own personal tally, but it doesn't really matter. What's important is we got the win as a team."

It was noted following the game, a comment on social media saying it was the best celebration they'd seen for an own goal. Danny laughed and continued: "It was more relief. Not planned, it just happened. It's not something I've done for quite some time, but I enjoyed

**"...I've watched it from the side angle in slow motion, and I think it was spinning in. Technically, if it's going in, it's my goal. I'm going to claim it..."**

**Danny Elliott**

it. I think the goals had been coming for a while. I was a bit frustrated, but I had to keep positive. The team was doing really well, and Dan (Whitehall) had got his goals and I found myself out of the team. I'd come on into games and hit the post a couple of times, so it was more relief to be honest."

The images, including the one on page five, and of the somersault, could prove to be iconic and memorable moments if the campaign turns into a successful one for the club. Feeling the emotion of Elliott on the wall celebrating his goal, with the emotions of the Britcon Stand behind is one that will remain there for all to see.

"I felt it at the time. You feel the togetherness when we are playing here. The boys are all pushing in the same direction. There's a really good feeling around the place at the minute and you get an EFL feel to the games, with the excitement, the noise and the atmosphere."

The start of the season resulted in the team line-up being either Elliott or Danny Whitehall, with the former given the nod to start on the opening day. With the Iron drawing, the substitution was made and it was Whitehall who ended up with the matchwinner. That meant that Elliott was on the sidelines going forward, and with the former Eastleigh man continuing his streak in front of goal, it's the former Boreham Wood forward who has had to bide his time.

"Me and Dan have always had a good relationship. I think that he's a top player and we both have different qualities that compliment each other. Unfortunately, the gaffer chose a formation that - I think suits the team really well - but only provides for one striker down the middle.

"I've been given a slightly different role since Bank Holiday Monday and hopefully I impressed the gaffer and did it quite well. Hopefully we can have more time with us both on the pitch. I'm just delighted to be back on the pitch, be involved in a team doing well, playing a part in the team.

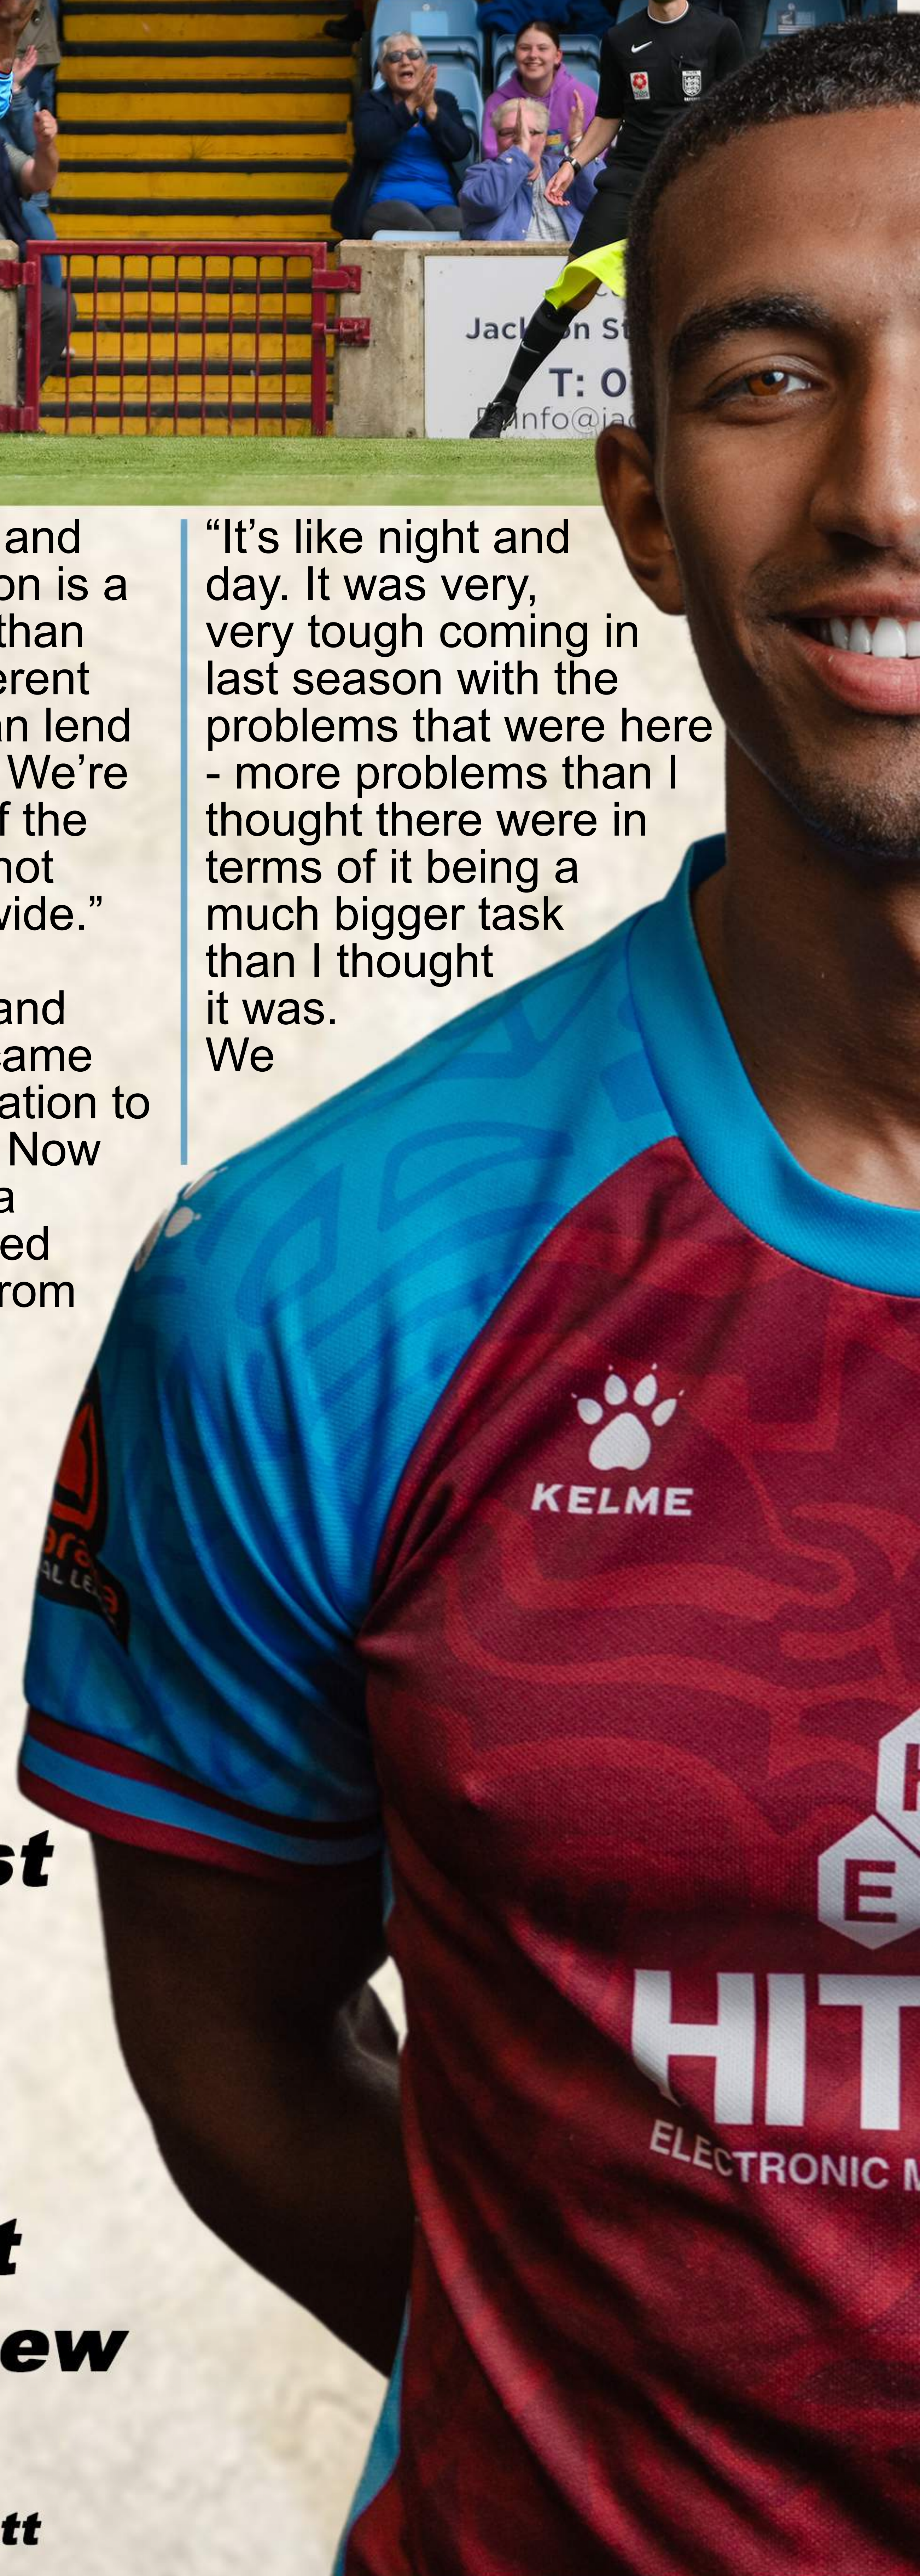

"I've always said to myself, and publicly, that my best position is a number nine, but I'm more than happy to play a slightly different role. I have qualities that can lend to coming in from out wide. We're in a team that keeps a lot of the ball, and that allows me to not necessarily be pinned out wide."

Elliott came in last season and experienced the lows that came with being involved in relegation to the National League North. Now part of a team that's made a successful start, he described the differences at the club from only a few months ago.

**"...It's like night and day. It was very tough coming in last season... we drew a line under last season and it feels like a new club..."**

**Danny Elliott**

"It's like night and day. It was very, very tough coming in last season with the problems that were here - more problems than I thought there were in terms of it being a much bigger task than I thought it was. We

were stuck in a rutt, and so far this season we've done a really good job collectively to turn that around. That goes from the bottom to the top. As a group, we drew a line under last season and it now feels like a new club with the spirit around the place, the togetherness, the confidence and the effort that everyone is putting in. Everyone is driving in the same direction and pushing together. Momentum is a key word."

While United were stuck with a losing habit last season, having suffered a first defeat of the season at Curzon, the perfect response was needed - and delivered - 30 hours later against Scarborough.

"I said it after the game against Curzon Ashton when I spoke to the media, it worked

perfectly for us having that game here on Bank Holiday Monday because we didn't have any time to dwell on it. We were able to get straight back to our home, straight back to winning ways and I was very confident that we'd do so.

"I think, even if it was in the opposite order, I still think we would have done so. I think we're in a position now where the group is buying into what we're being told. We believe in ourselves and each other.

"When I came in, I was one of 12 or 13 players that arrived, and we didn't necessarily know each other in terms of trusting them in those high-pressure moments on the pitch. At the minute, being full time and being in-and-around each other and being in each other's pockets each day, you learn to trust people a lot more and learn more about people. It pays dividends on a Saturday when you're all pulling in the same direction."

Elliott reserved his final comments of the interview for they supporters. He's aiming to assist in putting right the

wrongs of last season, and wants to be part of providing some more positive days this season.

Speaking on the backing, he continued: "You notice it and it pushes you on. You can see it massively. In terms of the clubs I've been at - I've played in the EFL, played for Hartlepool and Port Vale - and this is probably the biggest club I've played for in terms of the support. You see what it means to so many people. When you speak to people and see how much it means to them, and how you can make their weekend or week, it drives you on even more. You can see the passion that they give, and it means the world to us, especially when we're going away to places. It's felt like we're in home games most of the time with the support.

"Even though we lost at Curzon, the fans were still behind us. They can see that the effort is there, and they believe in us, which is massive."

## JAMES MOODY SKYDIVING TO RAISE FUNDS FOR LINDSEY LODGE HOSPICE

Scunthorpe United media, ticketing and retail manager James Moody is once again raising money for Lindsey Lodge Hospice, this time taking part in a 15,000 feet plunge out of a plane.

Having taken part in the hospice's annual Jog on January for the past two years, he's swapping fitness for adrenaline and will be journeying to Hibaldstow Skydive on Wednesday September 6th to take part in the challenge.

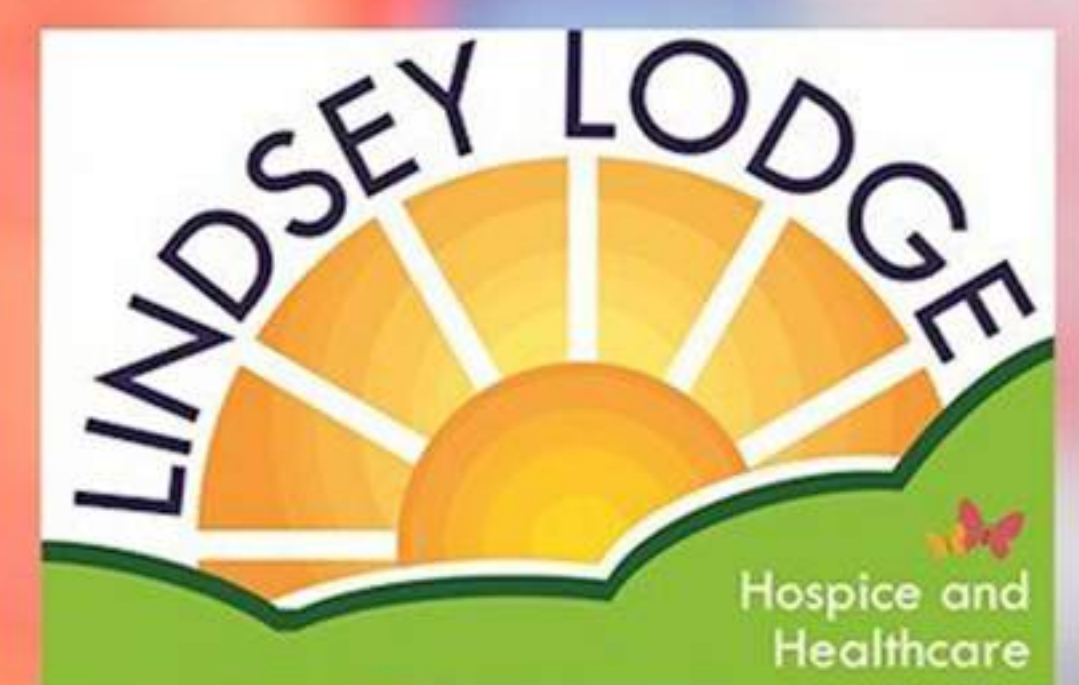

The 30-year old charity provides free of charge specialist care for patients with life limiting illnesses from North Lincolnshire, including symptom management, emotional support and end of life care and relies heavily on fundraising and donations to operate their day-to-day care.

## FINAL CHANGE TO DONATE - SKYDIVE TAKES PLACE TOMORROW MORNING

Speaking ahead of the challenge, James said: "It's now just hours away and I'd like to thank everyone who has donated, whether it's been £1 or £100, I know the money is going to a fantastic cause.

"Although apprehensive, this is one off my personal bucket list, but I'm delighted to be completing it in association with a charity which is definitely close to my heart.

"Lindsey Lodge Hospice do an awful lot for everyone in the local area that needs it, and if we can support them in any way we can, it is greatly appreciated by the charity. They rely on this support so much!"

"We managed to raise £1,500 in January through Jog on January. Originally, as I agreed to do the event so late, I set a lower target of £500 for this one. I was blown away to reach that target in just 24 hours and have since broken the £1,000 mark and hope to end on a number over £1,500. Any donations would be greatly appreciated for such a worthy cause.

"As I always say, Lindsey Lodge Hospice has done a lot for my family in the past, and continues to do so currently on a weekly basis. We support them in any way we can, even if it's to go and dine in their restaurant, or buy raffle tickets for their various draws. Every pound makes a difference.

"When I signed into my JustGiving page to create the new event, it told me I'd raised over £20,000 for a trio of charities over the last few years, and I only want that figure to grow more and more as we make a difference."

To sign up, please visit [www.lindseylodgehospice.org.uk](http://www.lindseylodgehospice.org.uk), email [llh.enquires@nhs.net](mailto:llh.enquires@nhs.net), or ring the Lindsey Lodge Fundraising Team on **01724 270835**.

You can also donate via the following Just Giving page:

# STUDY UNITED

Steve Parsons rounds-up the latest news from the Study Support Centre at the stadium...

Good evening everyone and welcome back to Glanford Park for today's Vanarama National League North match, where we welcome supporters, players, directors and personnel of The Mariners. We hope that it will be an entertaining game and that the Iron are celebrating a victory come the final whistle.

## Supporter 2 Reporter

After a long summer break, schools return this week and we're looking forward to welcoming pupils from Epworth Primary Academy on to our ever-popular Supporter 2 Reporter programme.

Their pupils will attend the Study Centre for ten two-hour sessions. They'll learn all about the Iron and Glanford Park and along the way interview an Iron media executive and player. They'll also report live at an upcoming home match, before recording their own TV show in our custom green-screen studio.

## Summer Sphero Session

Our Summer Sphero Sessions have now finished.

We'd like to offer our thanks to all the players from the Iron who've taken time out to meet our participants.

During our last session, at Baysgarth Community Hub in Barton, Michael Kelly, Max Kouogun, Reagan Ogle and Tom Pugh supported the participants and took part in a fun penalty shootout at the end.

Our participants loved meeting some "real" Iron players and few of them were regular visitors to Glanford Park to watch them play.

We're still busy recruiting schools for our programmes.

If you work at a school or have any specific involvement as a parent or governor and you would like to find out more about this project or any other learning programme we offer to schools please don't hesitate to get in touch.

You can contact us by telephone **07385 427656**, or by email **contactus@studyunited.org.uk** or alternatively visit our website **www.studyunited.org.uk** for more information.

Now onto the game, and hopefully it's another memorable game under the floodlights here at Glanford Park! Enjoy the game and cheer the lads on as always!

Up the Iron!

# COMMERCIAL NEWS

A commercial update ahead of this evening's game...

It's our second home league game of the season under the lights here at Glanford Park and I'd like to welcome you all back, with South Shields the visitors this evening.

We start by looking back at our last home game against Scarborough which was another memorable encounter. The last two matches here have resulted in convincing wins where we've scored four goals on each occasion. The results and positivity so far this season has seen attendances swell and we were delighted with a crowd of almost 5,000 last Monday. With bigger attendances sees greater exposure, and now is the perfect time to partner with the Iron commercially for your brand to get noticed. We have a number of opportunities for you to get involved with us, and welcome the conversation to get you on board.

We would like to thank the support of our match sponsors from last time out; BW Shrimpton Limited. They are longtime supporters of the football club, and enjoyed their afternoon with us, selecting Kian Scales as man of the match following the encounter. We will see them again later in the season, with the company already booking in for another package.

Dan Smith and his guests were matchball sponsors and are also no beginners when it comes to sponsoring the football club. We were delighted to welcome them back to Glanford Park and hope

they choose to return again in the future.

Today, we welcome Copier Systems as matchball sponsors. Copier Systems (CSL) are one of the largest independently owned managed print and documents solutions companies in the north of England.

With a 25 year history solely focused on document solutions, operating at various locations throughout the UK, we really are document solution specialists.

As always, for any commercial queries, please email [commercial@scunthorpe-united.co.uk](mailto:commercial@scunthorpe-united.co.uk). We have match sponsorship packages, advertising and more available.

Hopefully come full time we can be celebrating our third home league win of the season. Thank you for your continued support on and off the pitch.

Up the Iron!

## IN MEMORIAM

Scunthorpe United is saddened to learn of the passing of supporter of more than four decades, John Neil, at the age of 91.

Having picked out Scunthorpe as he liked our name in the football results in the newspaper, he followed the Iron until his peaceful passing last Monday.

Having no chance to visit the ground meant he never had the chance to see the Iron live but he was a fan nonetheless.

The picture (left) is from just three months ago as he donned his new Scunthorpe United polo.

Rest in peace, John.

# SCUNTHORPE UNITED FOOTBALL CLUB

**Scunthorpe United is delighted to have completed the loan signing of Heart of Midlothian midfielder Connor Smith with a view to a permanent deal.**

The 21-year-old arrived at Glanford Park, following his five-year association with the Scottish Premier League side where he made his senior debut in May 2018 against Kilmarnock.

Representing his native Scotland at four youth levels, Smith is currently an Under-21 international with two caps to his name at that age category. Previously, he's accrued eight caps, scoring twice, at Under-16 level, 10 caps at Under-17 level and two at Under-18 level.

During the half-decade stint at Tynecastle, he enjoyed loans to Cowdenbeath, Arbroath, Cove Rangers, Queen's Park and

Hamilton Academical.

At Cowdenbeath, he made 15 appearances, scoring twice in the Scottish League Two before seven appearances in all competitions for Scottish Championship side Arbroath in 2020-21. In the same season, he made 12 appearances for Scottish League One side Cove Rangers.

In 2021-22, he returned to Scottish League One and made his most impressionable return so far, scoring five goals in 34 appearances for Queen's Park.

Last season saw him loaned to Scottish Championship side Hamilton Academical, where he made 19 appearances in all competitions, scoring six goals.

# 100 CLUB REBRAND

Spaces are now limited for our 100 Club following a number of new members signing up and the majority of 1899 Members transferring...

## THE 1899 MEMBERSHIP IS EVOLVING TO THE 100 CLUB

Scunthorpe United can now provide an update regarding the 1899 Club devised back in February, as it rebrands to an exclusive 100 Club.

As the name implies, the 100 Club is strictly restricted in membership to 100 members as we scale down the membership scheme considerably. We are first aiming to reward current 1899 members for their patience, giving them first refusal on this exceptional offer, which includes (as a personal member) **never having to buy a ticket for a home match again.**

All existing members of the 1899 Club, whether as a personal member, or as a business member, will have first priority on whether to transfer their membership across to the new 100 Club, with a range of fantastic benefits worth thousands of pounds.

For business members, the new packages represents value of over £11,000 worth of advertising at the football club per year for three years, plus a whole host of other benefits besides.

Existing members of the club will have an option to transfer their membership to the new 100 Club, or receive a refund, with the remaining spaces going on sale on a first come, first served basis. We anticipate there will be fewer than 40 places up for grabs to be part of this highly exclusive group.

### Benefits for personal members are as follows:

- > Never have to buy a home match ticket again!
- **FREE** lifetime, non-transferrable season ticket
- **FREE** admission to all pre-season friendlies and cup

matches

- **FREE** upgrade to the Executive Club and Players Lounge
- > 15% discount on all club shop purchases
- > Direct access to the Board of Directors through quarterly meetings
- > A framed Share Certificate confirming you are a shareholder in Scunthorpe United Football Club, with 50 shares worth £1,000 allocated to you from the football club, and otherwise unavailable to purchase

### Benefits for business members are as follows:

- > **FREE** ground advertisement for three seasons worth in excess of £1,000 per annum
- > **FREE** full page advertisement on our online digital matchday programme for the next three seasons, worth £5,000 per annum. Our viewing impressions so far this season have been in excess of 250,000.
- > **FREE** full A4 advert in our new, full colour publication issued three times per season for a three year period, worth £9,000 (£1,000 per edition). Going forward, this will be produced during pre-season, Christmas and during the close season as an end of season review. This publication will

be sold through our club shop and local outlets.

- > 20% discount on any further advertising or marketing spend with the football club.
- > A framed Share Certificate confirming you are a shareholder in Scunthorpe United Football Club, with 50 shares worth £1,000 allocated to you from the football club, and otherwise unavailable to purchase

We believe that the 100 Club represents an exciting opportunity for supporters to be part of an elite group, reaping benefits for life. For businesses, this opportunity demonstrates a commercial inventory worth five figures over three seasons, for just a fraction of the cost.

Memberships remain at £1,899 including VAT for personal members or £1,899 plus VAT for business members. The 100 Club membership is non-transferrable and remains with the allocated individual (for personal membership) for life. Identification will be required on each occasion that the individual wishes to take advantage of any of the benefits. Terms and conditions apply.

# MIDLAND LEAGUE DUTIES LOOKING FOR SUCCESS

## VISIT TO GAINSBOROUGH AND A NEW STAND

Historian John Staff continues his 100-year rewind, looking back at 1923-24

Scunthorpe United had finished the 1922-23 season in a respectable sixth position in the Midland League table, and Directors, supporters and players were all aiming to improve on this placing on the ladder. Although it was early days, the first two matches in the division had seen the Nuts play as though there was a cog missing from the gears. It was thought that with a new part, a drop of oil, and a fitter to adjust the machine, the team should be functioning in a fashion to seize its first win.

The campaign kicked off at Fulford, against a moderate York City, and a lukewarm performance was enough to put a point on the board, but left those Nut followers feeling empty. Then it was felt that the team threw away two points when Denaby visited, because the team tried to match the visitor's robust tactics, instead of playing their own game. United lost the match 2-1, and experienced Joe Kitchen was involved in an altercation with an opponent.

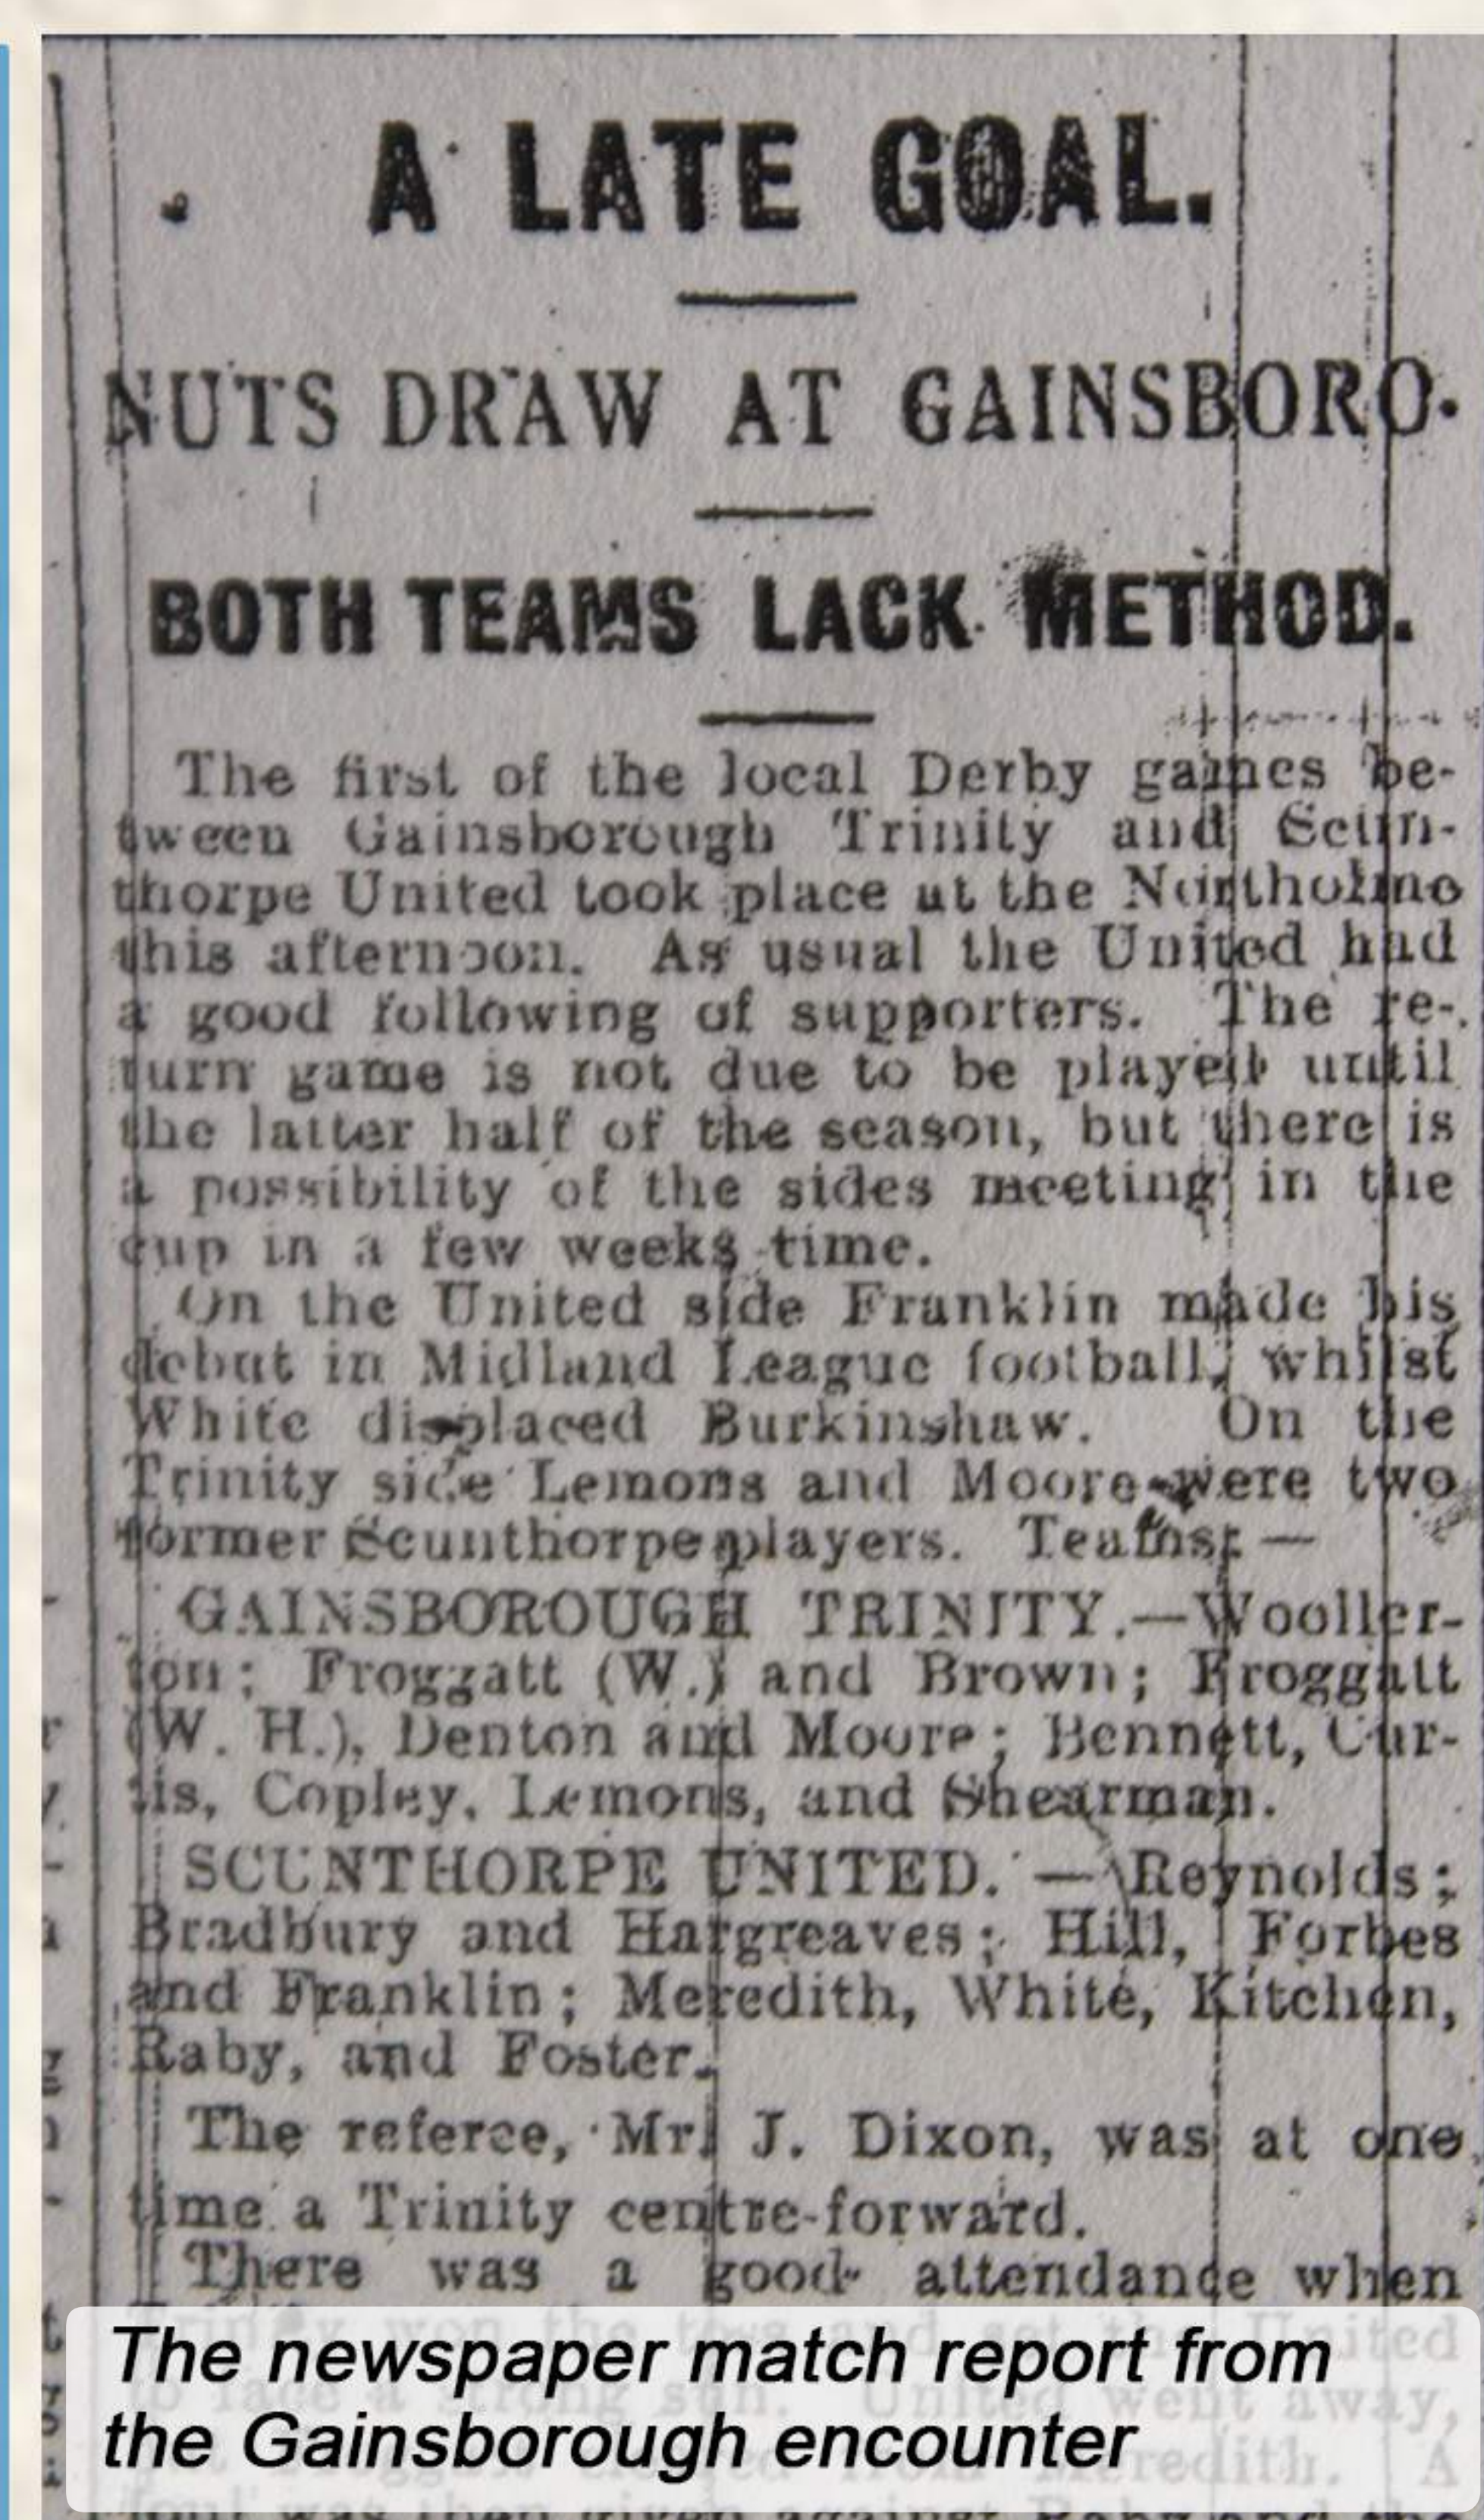

When the Directors surveyed the situation, they decided to make changes for the greatly anticipated visit to the Northolme to play derby rivals, Gainsborough Trinity. Franklin was promoted from the reserves in place of Crooks at left half, and White came in at inside right, as Kitchen replaced Burkinshaw at the sharp point of the attack. Therefore the team that emerged from the dressing rooms was as follows: Reynolds, goalkeeper; Bradbury and Hargreaves, full-backs; Hill Forbes and Franklin, half-backs; Meredith, White, Kitchen, Raby and Foster, forwards.

The game was whistled on its way, with the Scunthorpe team well represented from the terraces.

It took only five minutes for them to raise their voices in salute of a visiting goal. Meredith, from the right side of the park was the architect, steadying himself for control, and dropping a ball down the throat of the Trinity keeper. As the custodian attempted to clear, White rushed in to make a simple tap into the net, and score on his debut. The lead last until the 20th minute, and when the Nuts defence failed to clear the ball, Bennett seized upon it, and sent in a centre onto the head of Copley for a nicely worked goal.

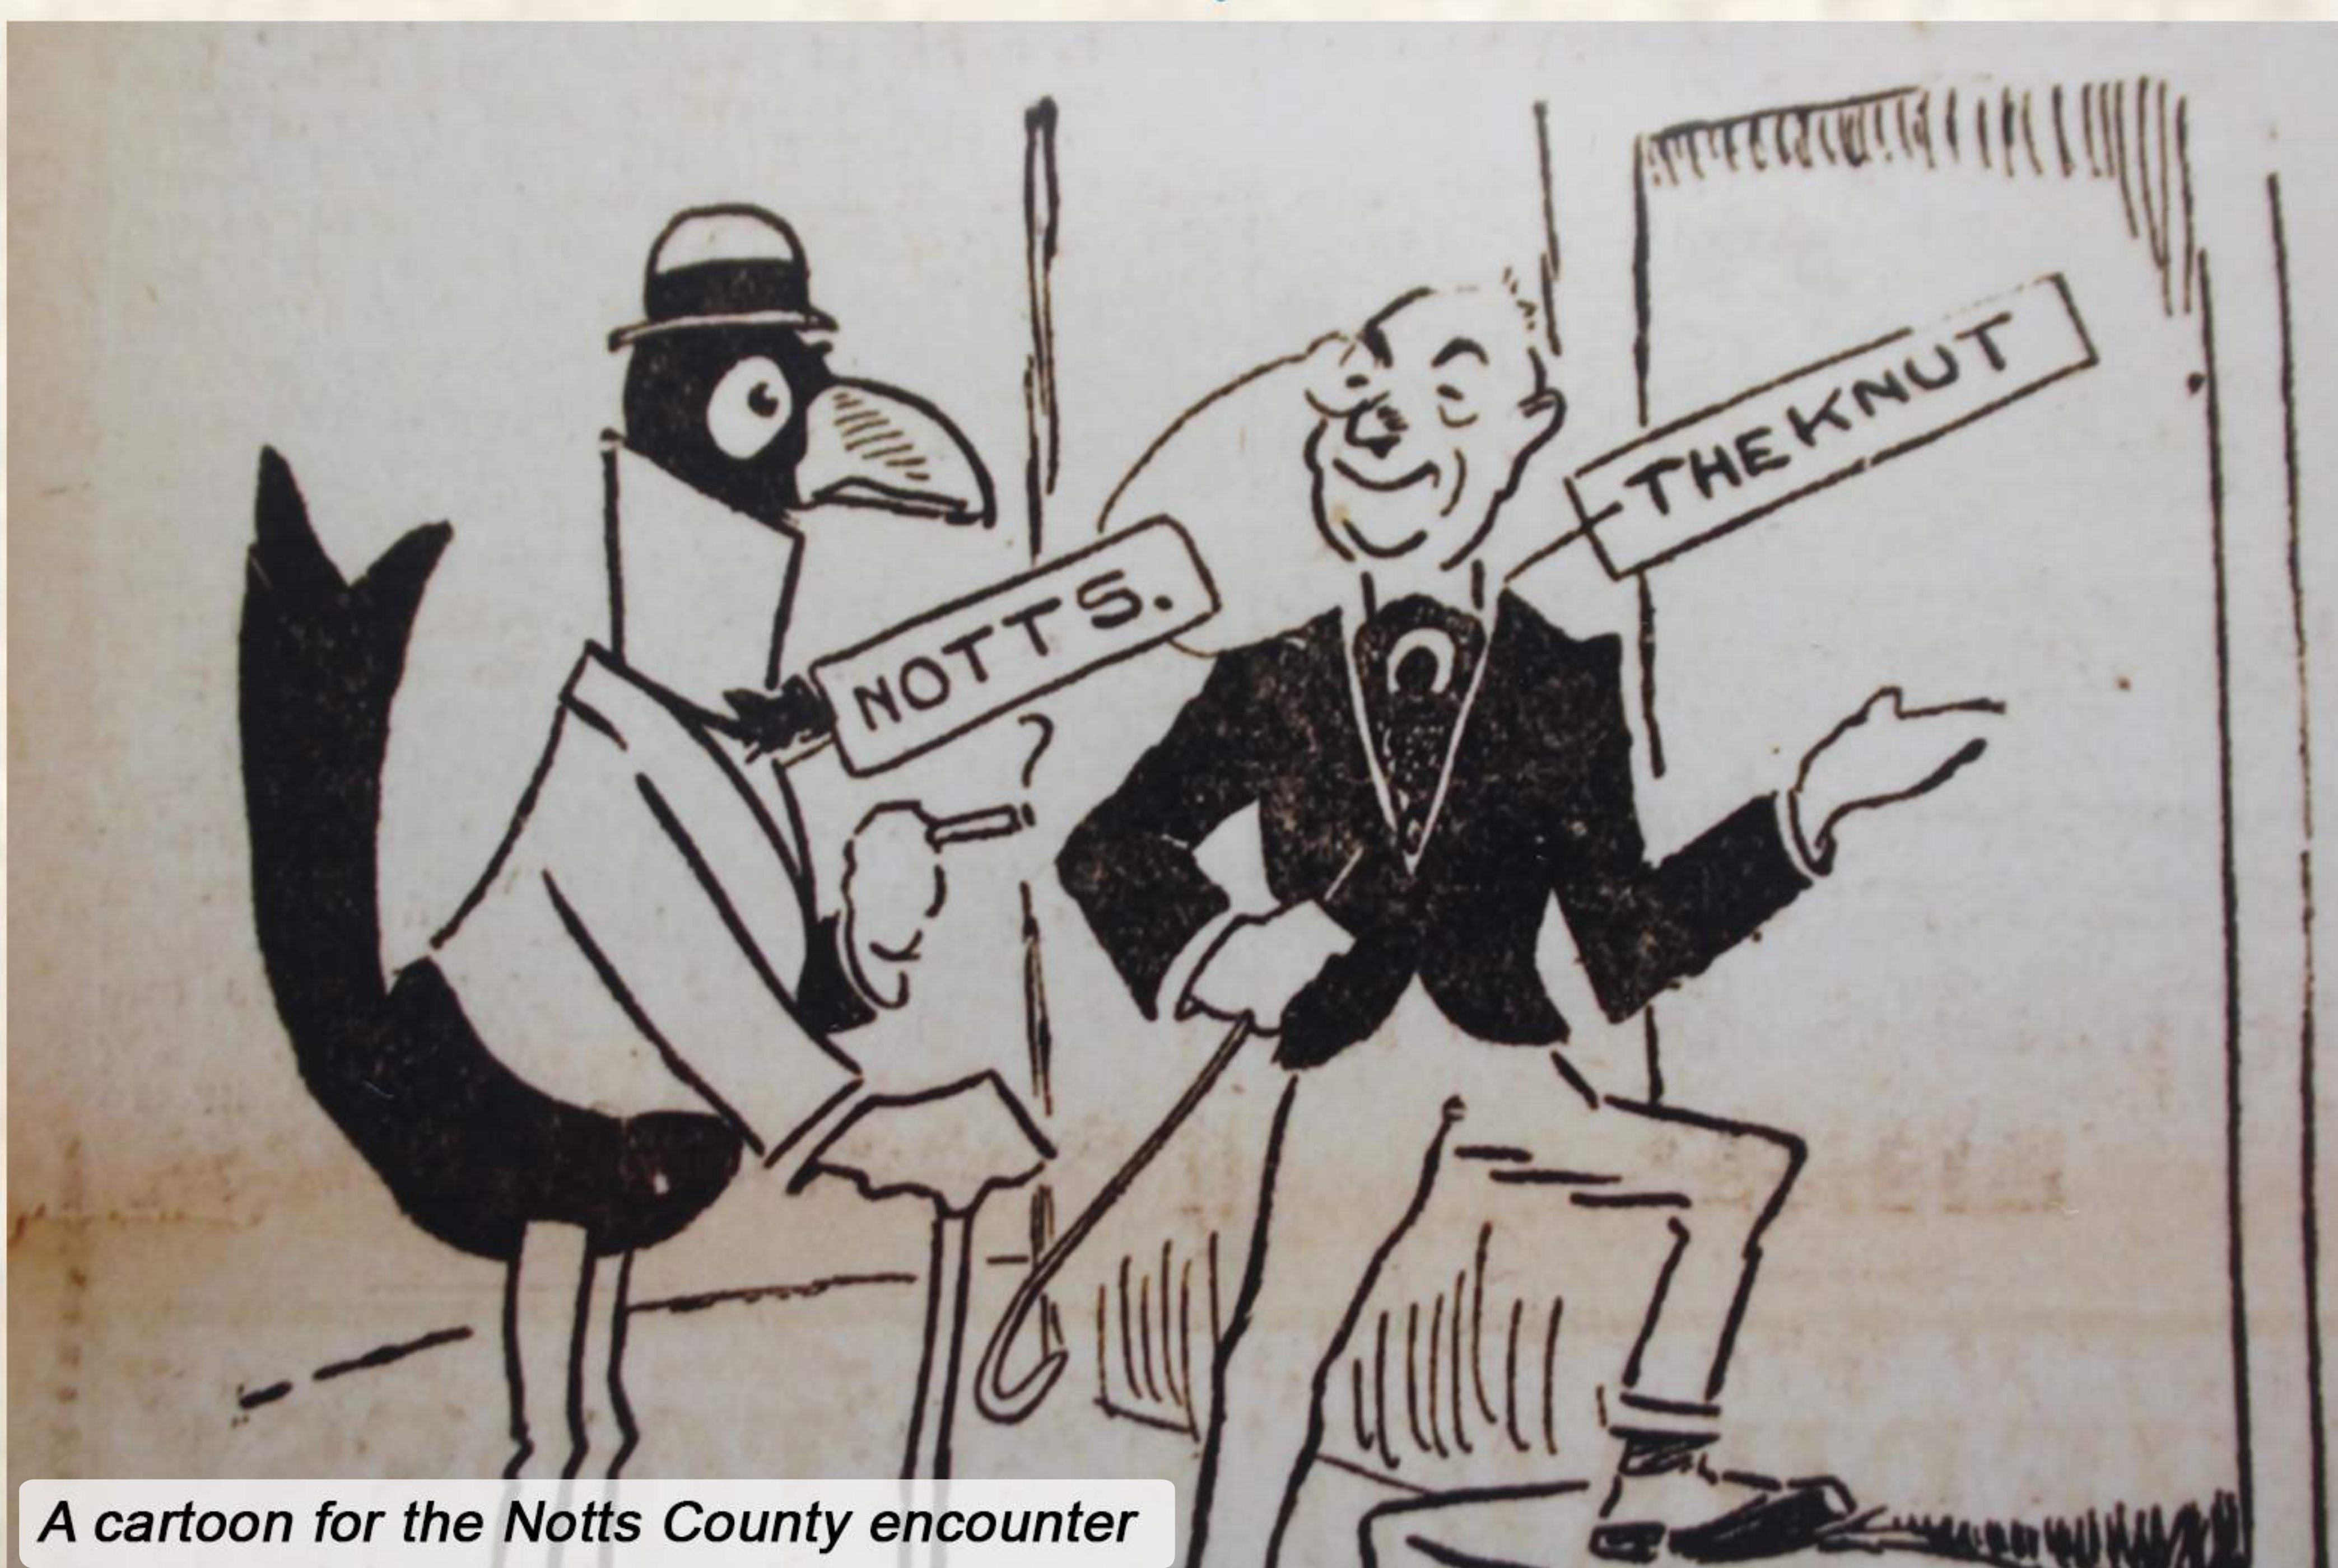

In the second period, both sides had their moments, but it was Curtis for the home side who raced onto the ball, with ten minutes left, and drilled in a shot, beyond Reynolds, which never rose above the ground. At this point it looked bleak for the travelling Nuts, but to great credit, the team never gave up.

Virtually up on time, it was Foster who took hold of the ball, and found the back of the net from close range. The 2-2 result was justice to each camp, but this was

not the cut and thrust derby that excited supporters.

On the following Tuesday, Scunthorpe United met Grimsby Town in a friendly match, in order to open the new stand, after the fire had blazed through

A team photo image, with the West Stand in the background almost at completion

the previous structure. The directors of Grimsby generously sent their full first team, and consented to allow all proceeds to be donated towards the 'New Stand Fund'. A 3-2 victory for Scunthorpe came by way of goals from Kitchen, Gregson and Raby, with replies from Kitching, a

penalty, and Carmichael. The speech that followed to open the stand suggested it would provide comfort, which it was hoped would

attract a large number ladies to the games, but added that gentlemen much not use strong language.

Two days later, the Nuts were back on Midland League duty, with the same side that performed at Gainsborough.

The Thursday fixture required a journey to Nottingham, to engage the Junior Magpies of Notts County. Reports of the tussle are scant, but a Joe Kitchen goal was little comfort in a 4-1 defeat. It seemed, as in nursery rhymes, the Magpie had pecked off the Nut's nose.

When would the first two points come from?

# OUR VISITORS TODAY

*We look a bit deeper at South Shields as we*

## A BRIEF HISTORY

**It has now been over 130 years since the first recorded appearance of a named South Shields Football Club.**

A team from the town began playing friendly matches in 1888, and from those early times, the town club has been subject to much fortune and misfortune.

The club, in all of its incarnations, has had many twists and turns, and is now more than seven years into another exciting new era.

South Shields Athletic AFC was a member of the Northern Alliance League, and enjoyed moderate success in its short career of five years before being disbanded in 1902 due to financial problems.

This team was known as South Shields Adelaide Athletic, and after much success, it re-organised two years later as a limited company in 1910, and now changed its official title to that of South Shields Football Club.

Numerous records were made and smashed, plus two consecutive North Eastern League championship titles won, in which

only four games were lost.

Shields were champions of the league for 1915-16, and in 1919, the years of effort behind the drive for the Football League came to fruition with its election to the Second Division, or the second league as it was then titled.

The club was relegated to the Third Division North before, facing impending bankruptcy, the only viable alternative from closure was to move, and this regrettable point was reached in 1930. Despite a final league table position of seventh, the club left the town and moved to Gateshead.

A new club was eventually established, and won the 1938-39 North Eastern League championship.

In 1974, the club went to Gateshead for the second time in 44 years, re-emerged as Gateshead United and took the place of South Shields in the Northern Premier League, and the rest is history. A new club, the South Shields Mariners FC, was born, and started with nothing.

The rise would commence again, and it would take time to get to

this stage. As part of the club's bid to become increasingly community-owned, a share scheme was launched in October 2020 which went on to raise almost £380,000 as 1,000 people invested to become shareholders.

The playing squad also completed its transition to a full-time training model in the summer of 2021 losing in the play-offs before being promoted as Champions last season.

## SOUTH SHIELDS' START TO THE SEASON...

MD1 - South Shields 3-1 Alfreton Town  
 MD2 - Boston United 3-1 South Shields  
 MD3 - Farsley Celtic 1-1 South Shields  
 MD4 - South Shields 1-0 Scarborough Athletic  
 MD5 - South Shields 3-0 Gloucester City  
 MD6 - Darlington 2-2 South Shields  
 MD7 - South Shields 4-0 Banbury United

Having had the same start as the Iron in terms of points, South Shields have adapted well to the division following promotion in the previous campaign.

Three of the Mariners' opponents have been the same as Scunthorpes. They fared better against Alfreton Town, taking the win on the opening day, while they edged a victory over Scarborough Athletic. Meanwhile, it was a draw against Darlington for the side.

Elsewhere, they've most recently battered Banbury United to take all three points, while drawing away at Farsley Celtic. They lost their opening away game of the season at Boston United.

The encounter this evening is South Shields' fourth away game of the campaign as they look for their first three points on the road, with the team holding a 100% home record so far.

*We get the latest from the Iron Trust...*

**Good evening fellow Iron fans and a warm welcome to South Shields and any travelling Mariners fans making the journey.**

Shields need no introduction to Iron fans having inflicted defeat on us in last season's FA Cup Fourth Qualifying Round at the 1st Cloud Arena.

Although nearly a year ago, the 1-0 defeat lingers in the memory. Shields went on to have a great league campaign winning the Northern Premier League Premier Division as champions, though rather surprisingly manager Kevin Phillips left by mutual consent at the season's end.

The Iron Trust is very much a member led organisation and very early on our membership made its priority the purchasing of shares in Scunthorpe United and as such we have £4000 worth of shares. When the purchasing of shares ceased to be an option the Trust stopped its fund-raising activities, leaving our main income stream as Hat Trick draw.

The Iron Trust currently has total funds of £5000 awaiting the day when shares become available to buy once again unless our members instruct us otherwise.

As we do not formally sponsor players kits, fellow board members, members, non-members and family members of the late Alan Brook teamed up to sponsor the away shirt of Dion Sembie-Ferris in the memory of Alan who was a founding board member of the Trust. A big thank you to all those contributing: it really means a lot to Alan's family. The shirt will be raffled at the end of the season between those having contributed.

The recent court case held at Leeds Crown court between our former and current chairman resulted in the issue being put back until the New Year so fans can relax a little in the knowledge that our beloved Iron will remain at Glanford Park for the immediate future.

A score draw in footballing terms whilst the parties involved have been given the opportunity to negotiate an agreeable settlement.

Sadly the Iron Trust board has not met recently due to the Brumby Hall venue being refurbished over the summer months. Once construction has concluded we will be looking to get a date in the diary.

## IRISH IRON SUPPORTERS CLUB

**The Irish Iron supporter's club has a number of items available for sale with clearance prices.**

The memorabilia is from memberships of seasons gone by, with shot glasses, scarves, badges, magnets and more available to acquire at discounted prices.

As always, every penny raised by Irish Iron as proceeds is returned to the football club as sponsorship, including player kit sponsorship, with the kit then raffled off to one of the members in the given season.

Scunthorpe-based supporter Phil Moody is selling a range of the memorabilia on behalf of Bernard Griffin. You can see the full offering by contacting him on Facebook or via Twitter (@MoodyPhilip). The club have also shared a selection of his posts to the wider community, with only a limited number remaining.

## IT'S AN IRON STAT!

\*\*\*\*\*

*The Iron won four games in a calendar month (August) when only playing six games for the first time since November 2019.*

# ON THE ROAD CHORLEY

**SATURDAY, SEPTEMBER 23RD -  
3PM**

Following back-to-back home games this week, the Iron will have the FA Cup on Saturday, September 16th, but will return to league action and travel to Chorley on Saturday, September 23rd.

The side finished last season in 12th position with 66 points from their 46 games. They won 17, drew 15 and lose 14 of those encounters, scoring 62 and conceding 50. The club was founded as a rugby union club in 1875 but switched to football in 1883.

## THE STADIUM

Chorley play at Victory Park. The ground has a capacity of 4,300, of which 2,800 is covered standing and 900 is covered seating.

Construction of Victory Park was completed in 1920 at a cost of £1,000. The stadium was named to commemorate the end of the First World War.

The ground's record attendance was set in 1923 when 9,000+ crammed in to witness an FA Cup tie between the Magpies

and Darwen.

At the time of writing, ticket news for the encounter had yet to be confirmed.

If segregation needs to be put in force then the Pilling Lane End is allocated to away fans. This consists of a small covered terrace that runs for around a quarter of the width of the pitch and is situated directly behind the goal.

## BY CAR

105 miles from Glanford Park, it will take around two hours to journey to from the Iron's stadium.

> Take Doncaster Road/A18 to A1077

> Take M180, M52 and M61 to A674 in Chorley. Take exit 8 from M61

> Take A6 to Ashby Street.

## CAR PARKING

There is little car parking available at the ground itself, so mostly a case of finding some street parking.

## ALTERNATIVE TRAVEL

Chorley Railway Station is situated around a half mile away from Victory Park and takes about 10-15 minutes to walk. The station is served by trains from Preston, Manchester Piccadilly and Manchester Victoria, the latter is about a 40 minute train journey away.

As you come out of the main station entrance, turn left and walk up the station approach road to the main dual carriageway. Cross over the dual carriageway via the pedestrian crossing to the other side and turn left. Go straight on at two roundabouts, passing a KFC on your right and a Morrisons Store on your left. At the third roundabout where there is the Eagle Hotel pub on the far corner, turn right into Bolton Street and then take the immediate left into Duke Street. Then take the second left into Ashby Street and the entrance to the ground is down on the right.

## FACILITIES

There is the Victory Social Club at the ground which welcomes visiting supporters.

# COMING SOON

A look at the Iron's next home game...

## BUXTON

**SATURDAY, SEPTEMBER 9TH, 2023 - 3PM KICK-OFF**

**The Iron are quickly back at Glanford Park this weekend, welcomign Buxton as the side's latest opponent in the Vanarama National League North.**

This will be the first meeting between the two sides, as will be common ground to many of United's visitors to North Lincolnshire this season.

Buxton endured a stuttering start to the campaign, first holding Boston United to a 1-1 draw at home on the opening day of the season in front of 1,072 supporters.

What followed was back-to-back defeats on the road, with a 2-1 defeat at Brackley Town followed up by a slender 1-0 loss at Warrington Town three days later.

Curzon Ashton were the next side to visit the Bucks. Unbeaten at the time, Buxton did well to hold the side to a 1-1 draw in front of 501 in attendance.

What's followed since has been largely positive. The Bucks beat Blyth Spartans 3-0 on Saturday, August 26th before backing that win up with an identical scoreline two days later when they make treks to Banbury United.

Last weekend, the pulled apart Darlington, scoring five goals against the ten-man side with Sam Osborne netting a hat-trick.

This evening the side are at Gloucester City.
